PUBLIC MEETING FOR PLANNING APPLICATIONS

Councillor Corbett, Vice Chair of Public Meeting for Planning Applications, remained in the Chair for this portion of the meeting.

Prior to commencing the public meeting, the Chair explained the meeting, delegation and appeal process. He noted that decisions made by Committee at this meeting would be given final consideration at the December 16, 2019 Council meeting.

1 PDD-42-2019 Official Plan and Zoning By-law Amendment to Regularize Existing Hunt Club and Permit Special Events

B. Kissner presented the report.

David Roe, agent for the proponent, provided an overview of the process undertaken with this application.

Robert Groves, homeowner on Haldimand Dunnville Townline Road, spoke to his concerns about his quality of life, enjoyment of wildlife, and value of his home. He noted that the woodlot should remain undisturbed to provide protection from shotgun pellets to his property and act as a buffer zone. He also expressed concern about the management of noise issues, ATVs on the property, and the large number of guests attending wedding receptions at the venue.

Steve Brown, adjacent property owner, expressed concern about the timing of notice and noted lack of community consultation. His primary concerns relate to noise (commercial grade fireworks) and trespassing followed by woodcutting and hunting on private property.

Blair McKeil, proponent, spoke to attempts to notify all neighbouring property owners about the application. He noted that the Hunt Club has existed for 25 years, so some activity and noise will continue to occur. Other matters outlined by delegations will be addressed.

There being no one else present to speak either for or against this application, deliberations concluded with the introduction of the following recommendation.
