2. City Council request the Government of Canada to strengthen its proposed gun control legislation in Bill C-71, An Act to amend certain Acts and Regulations in relation to firearms, by:
  - a. restoring the 1977 controls on the sale of unrestricted firearms requiring firearms dealers to record the licence number, make, model and serial number of all firearms sold and subject these records to annual inspection so that police services can inspect records as needed to trace firearms used in crimes;
  - b. creating more stringent transport provisions for restricted firearms to limit transport outside of direct transfers between their place of storage and approved destination; and
  - c. prohibiting the availability, sale, possession and use of handguns, assault rifles and semi-automatic firearms in Canada, with the exception of the Canadian Armed Forces, police services or other entity that is authorized to possess firearms with legal obligations imposed by the municipal, provincial and federal governments.
3. City Council request the Federal Government to enact legislation:
  - a. to control guns coming into Canada along the American and Canadian border; and
