## Memorandum CS-GM-M01-2018 Policing Related User Fees and Charges For Consideration by Council in Committee on October 30, 2018

---

**To:** Mayor Hewitt and Members of Council  
**From:** Karen General, General Manager, Corporate Services

The attached report, pertaining to Policing related user fees and charges, was presented to the October 24, 2018, Haldimand County Police Services Board (PSB) meeting. As the report speaks for itself, the details won't be repeated in this memorandum.

The PSB approved the staff recommendations outlined in the report and passed the related By-law, with implementation conditional on Haldimand County Council endorsement. Effectively, this means that all policing related user fees will match the Ontario Provincial Police Schedule of Fees, except for False Alarm Response charges. The latter reflects a simpler administrative approach and slightly higher fee, effective January 1, 2019.

### **RECOMMENDATION:**

THAT Memorandum CS-GM-M01-2018 re: Policing Related User Fees and Charges be received;  
AND THAT the recommendations in Report CS-PSB-02-2018, as approved by the Haldimand County Police Services Board at their meeting of October 24, 2018, be supported.

### **ATTACHMENTS:**
