Memorandum CL-M05-2018 Update re: Citizen Appointments to Boards and Committees

For Consideration by Council on December 17, 2018

To: Mayor Hewitt and Members of Council

From: Evelyn Eichenbaum, Clerk, Manager of Citizen & Legislative Services

Council was previously advised that a report would be prepared for consideration at the January 15, 2019 Council in Committee (CIC) meeting to deal with citizen appointments to various boards and committees. Given the new process for citizen appointments to boards and committees approved at the December 11th CIC meeting as well as the possibility of requiring applicant interviews and the pending holiday season, the related report is being postponed to the February 26, 2019 CIC meeting. The one exception will be a report recommending one citizen member appointment to the Police Services Board which will be presented on January 15, 2019 as it is a legislated board that meets on a monthly basis, beginning in January.
