Subject: FW: Request for Delegation

Good Morning Ms Evelyn

I am proposing a new build, 4 storey , 65-67 unit multi residential , Affordable Housing Complex, with commercial space on main floor, located at 64 Main St , Hagersville. We have had our PreCon and am awaiting for comments , although , they seem to be very positive at the meeting.

I would like to request to appear before Council as a delegation at next Tuesdays meeting in order to discuss the waiving of all Development Charges, building permits, and reduction of property taxes. In addition any and all programs that are offered in the "Downtown Revitalization Incentive Programs" that may be available to this project.

I thank Council for this opportunity.

Best Regards
