By-law Number /19

**Being a by-law to authorize certain new capital works of the Corporation of Haldimand County (The “Municipality”); and in respect of such capital works, the submission of an application to Ontario Infrastructure and Lands Corporation (“OILC”) for financing, temporary borrowing, and long term borrowing through the issuance of debentures to OILC**

**WHEREAS** the *Municipal Act, 2001* (Ontario), as amended, (the “Act”) provides that a municipal power shall be exercised by by-law unless the municipality is specifically authorized to do otherwise;

**WHEREAS** the Council of the Municipality has passed the by-law(s) enumerated in column (1) of Schedule “A” attached hereto and forming part of this by-law (“Schedule “A”) authorizing the capital work(s) described in column (2) of Schedule “A” (“Capital Work(s)”) in the amount of the respective estimated expenditure set out in column (3) of Schedule “A” , subject in each case to approval by OILC of the long-term financing for such Capital Work(s) requested by the Municipality in the Application as hereinafter defined;

**WHEREAS** before the Council of the Municipality approved the Capital Work(s) in accordance with section 4 of Ontario Regulation 403/02 (the “Regulation”), the Council of the Municipality had its Treasurer calculate an updated limit in respect of its then most recent annual debt and financial obligation limit received from the Ministry of Municipal Affairs and Housing (as so updated, the “Updated Limit”), and, on the basis of the authorized estimated expenditure for the Capital Work or each Capital Work, as the case may be, as set out in column (3) of Schedule “A” (the “Authorized Expenditure” for any such Capital Work), the Treasurer calculated the estimated annual amount payable in respect of the Capital Work or each Capital Work, as the case may be, and determined that the estimated annual amount payable in respect of the Capital Work or each Capital Work, as the case may be, did not cause the Municipality to exceed the Updated Limit, and accordingly the approval of the Local Planning Appeal Tribunal pursuant to the Regulation, was not required before any such Capital Work was authorized by the Council of the Municipality;

**WHEREAS** subsection 401(1) of the Act provides that a municipality may incur a debt for municipal purposes, whether by borrowing money or in any other way, and may issue debentures and prescribed financial instruments and enter prescribed financial agreements for or in relation to the debt;

**WHEREAS** the Act also provides that a municipality shall authorize long-term borrowing by the issue of debentures or through another municipality under section 403 or 404 of the Act;

**WHEREAS** OILC has invited Ontario municipalities desirous of obtaining long-term debt financing in order to meet capital expenditures incurred on or after the year that is five years prior to the year of an application in connection with eligible capital works to make

application to OILC for such financing by completing and submitting an application in the form provided by OILC;

**WHEREAS** the Municipality has completed and submitted or is in the process of submitting an application to OILC, as the case may be to request financing for the Capital Work(s) by way of long-term borrowing through the issue of debentures to OILC, substantially in the form of Schedule “B” hereto and forming part of this by-law (the “Application”);

**WHEREAS** OILC has accepted and has approved or will notify the Municipality only if it accepts and approves the Application, as the case may be;

**AND WHEREAS** at least 5 business days prior to the passing of the debenture by-law in connection with the issue of Debentures as defined below, OILC will provide the Municipality with a rate offer letter agreement substantially in the form of Schedule “C” hereto and forming part of this by-law (the “Rate Offer Letter Agreement”),

**NOW THEREFORE, the Council of The Corporation of Haldimand County enacts as follows:**

1. **THAT** The Council of the Municipality hereby confirms, ratifies and approves the execution by the Treasurer of the Application and the submission by such authorized official of the Application, duly executed by such authorized official, to OILC for the long-term financing of the Capital Work(s) in the maximum principal amount of \$32,651,250, with such changes thereon as such authorized official may hereafter, approve such execution and delivery to be conclusive evidence of such approval.
2. **THAT** the Mayor and the Treasurer are hereby authorized to execute and deliver for and on behalf of the Municipality the Rate Offer Letter Agreement under the authority of this by-law in respect of the Capital Work(s) on such terms and conditions as such authorized officials may approve, such execution and delivery to be conclusive evidence of such approval.

4. **THAT** in accordance with the provisions of section 25 of the *Ontario Infrastructure and Lands Corporation Act, 2011*, as amended from time to time hereafter, the Municipality is hereby authorized to agree in writing with OILC that the Minister of Finance is entitled, without notice to the Municipality, to deduct from money appropriated by the Legislative Assembly of Ontario for payment to the Municipality, amounts not exceeding the amounts that the Municipality fails to pay to OILC on account of any unpaid indebtedness of the Municipality to OILC under the Debentures (the “Obligations”) and to pay such amounts to OILC from the Consolidated Revenue Fund.

5. **THAT** for the purposes of meeting the Obligations, the Municipality shall provide for raising in each year as part of the general levy, the amounts of principal and interest payable in each year under the Debentures issued pursuant to the Rate Offer Letter Agreement, to the extent that the amounts have not been provided for by any other available source including other taxes or fees or charges imposed on persons or property by a by-law of any municipality.
6. **THAT,**
  - (a) The Mayor and the Treasurer are hereby authorized to execute and deliver the Rate Offer Letter Agreement, and to issue the Debentures, one or more of the Clerk and the Treasurer are hereby authorized to generally do all things and to execute all other documents and papers in the name of the Municipality in order to perform the terms and conditions that apply to the Municipality as set out in the Rate Offer Letter Agreement and to perform the Obligations of the Municipality under the Debentures, and the Treasurer is authorized to affix the Municipality's municipal seal to any such documents and papers.
