Lead and Rec. #	RECOMMENDATION	COMMENTS	INITIATED	TARGETTED COMPLETION	COMPLETE
(M) # 1	To ensure effective oversight of conservation authorities' activities through boards of directors, we recommend that the Ministry of the Environment, Conservation and Parks clarify board members' accountability to the conservation authority.	MOECP has launched two reviews under the Environmental Registry of Ontario on April 5, 2019 - Modernizing conservation authority operations and Focusing conservation authority permits on the protection of people and property. This provincial review will assist in addressing Recommendation 1. As part of this review the province is proposing to make amendments to the CAA that will "clarify that the duty of conservation authority board members is to act in the best interest of the conservation authority, similar to not-for-profit organizations."	X	2020	
(BD) # 2	To ensure that the Niagara Peninsula Conservation Authority (NPCA) Board of Directors has the necessary independence and objectivity to oversee the NPCA's activities effectively, we recommend that the NPCA Board:				
(BD) # 2.1	Adhere to its Code of Conduct, which states that Board members are to refrain from unduly influencing staff, being respectful of staff's responsibility to use their professional expertise and corporate perspective to perform their duties;	The NPCA Governance Committee has reviewed the Code of Conduct (contained within the Administrative By-law) and provided recommendations to the Full Authority in February and March 2019. Further reviews of the By-law will continue to the end of Q2.	X	Q2 2019	
(BD) # 2.2	Update its Code of Conduct to clearly define the circumstances and relationships that could lead to an actual or perceived conflict of interest beyond those defined in the Municipal Conflict of Interest Act.	As part of the Q2 review of the By-law, the Board will define circumstances that could lead to an actual or perceived conflict of interest.		Q2 2019	
(BC) # 3	To ensure that members of the Niagara Peninsula Conservation Authority (NPCA) Board of Directors collectively have the skills, experience and training necessary to oversee the NPCA's activities effectively, we recommend that the NPCA Board:				

Lead and Rec. #	RECOMMENDATION	COMMENTS	INITIATED	TARGETTED COMPLETION	COMPLETE
(CM) # 3.2	Work with the NPCA's funding municipalities to ensure that their Board appointment processes consider skills and experience requirements;	A letter was circulated to Niagara, Hamilton and Haldimand regarding a recommended list of competencies and a reference to the Alberta Public Agencies – Board Profile & Competency Matrix Tool , as approved by the Board of Directors on April 17, 2019.	X	Q2 2019	X
(BD) # 3.3	Assess the current role of its advisory committee to determine whether it is sufficient in fulfilling any gaps in Board skills and competencies, and revise as necessary;	The Board of Directors received a list of the Advisory Committees for 2019 at its March 20th meeting. A Report on the NPCA Public Advisory Committee, with recommendations for a revised Terms of Reference will be considered by the Board of Directors on May 3, 2019. With Board approval, the PAC will be requested to review the Terms of Reference, provide recommendations on Committee vacancies and develop "profiles" for each Committee member.	X	Q4 2019	
(BC) # 3.4	Identify initial and ongoing Board governance training needs.	The current Board of Directors were provided with an updated Member Handbook in January 2019. Initial Orientation training with the Board was launched on March 20, 2019. Further training needs to be identified through a Board survey and initiated throughout 2019 and annually.	X	Q2 2019	
(M) # 4	We recommend that the Ministry of the Environment, Conservation and Parks:				
(M) # 4.1	Make a recommendation to the Executive Council of Ontario to proclaim Section 40 of the Conservation Authorities Act;	Section 40 of the CAA states that the Lieutenant Governor in Council may make regulations dealing with CA composition, advisory boards, programs/services, apportionment of capital costs and governing reviews under Section 27 and 27.1 of the CAA. The province began this review by launching ERO reviews on April 5, 2019.	X	2020	
(M) # 4.2	Once Section 40 is proclaimed, make a regulation prescribing requirements for board composition that result in board members having the independence and objectivity they need to fulfill their oversight responsibilities;	Response to this recommendation is dependant upon the province's review noted above.		2020	
(MCO) # 4.3	Work with Conservation Ontario and conservation authorities to determine whether governance training should be developed and delivered province-wide for board members of conservation authorities.	Response to this recommendation is dependant upon the province's review noted above.		2020

(BD) # 5	To ensure that the Niagara Peninsula Conservation Authority (NPCA) Board of Directors has all the information it needs to effectively oversee the NPCA and improve its oversight when needed, we recommend that the NPCA Board:				
(BD) # 5.1	Regularly evaluate the performance of the NPCA's Chief Administrative Officer, as required by its policies;	A Performance Evaluation system has been developed for all staff. The Interim CAO's performance will be evaluated in July 2019. The Board can determine a performance schedule with the new CAO when hired in Q2 of 2019.	X	Q2 2019	
(BC) # 5.2	Develop performance indicators to facilitate the Board's evaluation of its oversight processes and activities;	A Board evaluation, and self evaluation process has been developed, in draft, by the Interim CAO and will be forwarded to the NPCA Governance Committee for review and recommendations to the Board in June 2019.	X	Q2 2019	
(BD) # 5.3	Regularly evaluate both its collective performance and the performance of individual Board members.	Both collective Board performance and individual Board member performance tools have been developed, in draft, by the Interim CAO and will be forwarded to the Governance Committee by June 2019.	X	Q3 2019	
(BD) # 6	To ensure that per diem payments to Board members are reasonable and transparent, we recommend that the Niagara Peninsula Conservation Authority:				
(BD) # 6.1	Clarify its Board policies to specify the meetings and other functions for which Board members may receive per diem payments in the future;	The Governance Committee reviewed and clarified per diems in February 2019. Board members receive one per diem per day if attending NPCA meetings, despite the number of meetings attended. The per diem and honorarium policy is updated and outlined in the Administrative By-law. Further review of the By-law will occur in June 2019 to specify the meetings and functions for which a Board member may receive a per diem.	X	Q2 2019	
(BD) # 6.2	Continue to publish information on actual Board per diems and other expenses annually online.	Municipalities require board expenses to be reported annually. This information for 2018 was provided to participating municipalities. Member expenses for 2019 will be posted at year end on the NPCA website under the heading <i>Administration – Reports</i> and will continue to be published annually.	X	Q1 annually commencing 2020	
(OPS) # 7	To ensure that the Niagara Peninsula Conservation Authority (NPCA) has complete and up-to-date information about flood risks within its watershed, we recommend that the NPCA:				

Lead and Rec. #	RECOMMENDATION	COMMENTS	INITIATED	TARGETTED COMPLETION	COMPLETE
(OPS) # 7.1	Assess the risk to communities around the unmapped watercourses;	The NPCA has completed flood plain mapping for 42% of the watershed. Flood plain mapping is currently underway for the Welland River, 9 watercourses in Grimsby and Lincoln, and 2 watercourses in St. Catharines. The NPCA is presently reviewing the Welland River final draft. The first drafts of the other studies are scheduled to be reviewed in Q2 of 2019.	X	Q2 2019 draft review Q4 completion of mapping and adopted by Board	
(OPS) # 7.2	Determine the time and cost for completing and updating floodplain maps;	A five-year capital forecast for the remaining 58% of mapping to be completed will be placed in the 2020 budget and beyond. A minimum of \$200,000 over 5 to 7 years will be required to address the mapping deficiency. Once all mapping is completed, mapping updates are required on all watercourses.	X	2026 subject to funding being received	
(OPS) # 7.3	Schedule this work, based on its risk assessment and for the watercourses for which the Ministry of Natural Resources and Forestry recommends floodplain maps be prepared.	A risk-based assessment for the remaining mapping will be developed in 2019. NPCA believes that MNRF does not recommend flood plain mapping priorities.		Q2 2019	
(M) # 8	To ensure that conservation authorities have complete and up-to-date information about flood risks within their watershed, we recommend that the Ministry of Natural Resources and Forestry work with Conservation Ontario to:				
(M) # 8.1	Establish clear responsibility and criteria for developing and updating floodplain maps across the province;	NPCA is waiting for this information from MNRF.			
(M) # 8.2	Review current funding levels to conservation authorities to determine how floodplain mapping can be completed in a timely manner.	Transfer payments to CA's for natural hazards were reduced by 50% on April 13, 2019. The NPCA provincial transfer payment is now \$90,000 for the 2019/20 provincial fiscal year. Provincial funding to update flood plain mapping has not been available since 1996. Funding for updated mapping must be sought from participating municipalities, who may choose not to fund updates.
