## PURPOSE AND EFFECT OF BY-LAW

/19

This by-law affects lands located south of River Road in a predominantly agricultural area. The lands are described as North Cayuga Concession 2 STR Part Lots 30-32 Irregular; known municipally as 1801 River Road, Haldimand County.

The purpose of this by-law is to permit a millwork and carpentry business and accessory office space on the subject lands through a site specific Zoning By-law Amendment to By-law 1-H 86.

In the Haldimand County Official Plan the subject lands are designated as 'Agriculture' which is also subject to a site specific amendment to support the proposed use.

The permitted uses in the 'A' zone are: farm, animal kennel, farm produce outlet, farm produce grading station, storage of school buses, seasonal storage of recreational vehicles and equipment as a secondary use to a permitted farm, commercial radio, television and telecommunication towers, but excluding any office or studio associated there with, structures accessory to a mine ventilation or emergency access shaft, one airstrip and one hangar, motor homes and bunk houses for seasonal workers provided they are located on the farm on which the seasonal workers are employed, one family dwelling house, farm stand, on-farm market, farm-related processing, and experiential activities.

In order to ensure appropriate on site development, this proposal will be subject to site plan control. Site plan control will address aspects of future development such as stormwater management, lot grading, location of entrance, grading to match shoulder, provision of the required number of parking spaces, and barrier-free access to building.
