Jarvis Master Servicing Plan Update Project File Report

Appendix D

Notice of Study Commencement and Distribution List

Notice of Study Commencement

Jarvis Master Servicing Plan Update

Haldimand County has initiated a Municipal Class Environmental Assessment (Class EA) to update the Master Servicing Plan (MSP) prepared in 2010 for the community of Jarvis.

Map of the Master Plan Update Study Area

How Will This Affect Me?

The purpose of the study is to update the four (4) servicing components (water, wastewater, stormwater, and transportation) of the 2010 Jarvis MSP to reflect updated land use and growth forecasts in the study area. The updated Master Plan will guide future infrastructure projects in the community.

Public and agency consultation is a key element of the process and input will be sought throughout the study to inform the evaluation and section of the preferred Master Servicing Plan.

How Do I Get More Information?

A mailing list for notification of study status and opportunities for public input is being compiled. If you wish to add your contact information to the study mailing list, or if you have any questions regarding the study, please visit our website or contact one of the people listed below.

A Public Open House is planned for 2019. Details will be posted on the County's website and advertised in local media, once finalized.

Dear: «Name»

Re: Notice of Commencement – Jarvis Master Servicing Plan Update

Haldimand County has initiated a Municipal Class Environmental Assessment (Class EA) to update the Master Servicing Plan prepared in 2010 for Jarvis. The purpose of the study is to update the four (4) servicing components (water, wastewater, stormwater, and transportation) of the 2010 Jarvis MSP to reflect updated land use and growth forecasts in the study area.

This Master Servicing Plan Update is being completed with sufficient detail to fulfil the requirements for Schedule B projects (Approach #2) under the Municipal Class EA process. Consultation with interested parties will be an important part of this systematic process to identify and evaluate ways of providing water, wastewater, stormwater, and transportation services in Jarvis. The updated Master Plan will guide future infrastructure projects in the community.

A Notice of Commencement is being mailed to residents in the study area and to agencies and organizations that may have an interest in the study. A copy of the Notice is attached for your information. You are invited to join our mailing list and/or provide comments as the study progresses. You are also invited to attend the Public Open House – to be scheduled in 2019.

Responses can be emailed or mailed to the address provided in the Notice of Commencement or the attached comment form. If you have any questions or concerns, please contact the undersigned.

Yours very truly,

J.L. RICHARDS & ASSOCIATES LIMITED

Michael Troop, P.Eng. Manager, Senior Environmental Engineer J.L. Richards & Associates Limited 107-450 Speedvale Ave W Guelph, ON N1H 7Y6

Subject: Jarvis Master Servicing plan update

Date: April 17, 2019 2:42:36 PM

Attachments: 28176 Jarvis Lagoon Class EA NOC PIC R01.docx

28176 Jarvis MSP Update NOC 2019-03-25.pdf

Hello Paul and Fawn

Attached above are copies of the public notices for the commencement of the planned update to Jarvis Master Servicing Plan and the Notice of Commencement and

Public Information Centre Jarvis Schedule C Municipal Class Environmental Assessment for Additional Wastewater Treatment Capacity.

The Master Servicing Plan update is required to ensure the master servicing plan is up to date and contemplates growth in the short and long term planning horizon. The Municipal Class EA is related to the MSP update for Jarvis and relates to the need to identify options for additional wastewater Treatment capacity.

As has been our practice if there is a desire for us to come and overview these projects further we would be pleased to do so as staff.

Please let me know if there might be a preferred time and we can make arrangements for the meeting.

Thank

Peter Minkiewicz
