**Subject:** Presentation to Council on Tuesday, June 18, 2019 for Frank Marshall Park....

Good Morning Evelyn,

Confirming that I will be presenting my proposal to council on Tuesday, June 18, 2019 for the county owned lands at Frank Marshall Park on Ramsey Drive, Dunnville.

I have attached an image showing what I am planning.

I will have a layout done by my civil engineers by Monday. Couple of days ago four single mothers informed me that they can't even afford to buy a 325,000 home (which was my plan), now I have to design 250,000 dollar homes. Starters also want cheaper than 325,000.

Thanks. Omar.
