# HALDIMAND COUNTY

## Memorandum ENG-M01-2019 Modification of the Heavy Truck By-law to Include MTO Enforcement

For Consideration by Council on September 3, 2019

---

**To:** Mayor Hewitt and Members of Council  
**From:** Kristopher R. Franklin, Manager, Engineering Services

The Ministry of Transportation (MTO) has offered to assist with enforcement of the County's Heavy Truck By-law enacted by Council in April 2019.

After review of the current by-law, changes to the Definitions and Enforcement sections are required to allow enforcement by MTO enforcement officers and as a result an amended by-law is being presented to Council for enactment.
