Dear Head of Council:

Our government believes everyone deserves a place to call home. Inadequate supply and high housing costs have made housing unattainable for too many people in Ontario. We want to put affordable home ownership in reach of more Ontario families, and provide more people with the opportunity to live closer to where they work.

That is why I am pleased to provide you with an update on the [More Homes, More Choice Act, 2019](#), which was passed by the Legislature on June 6, 2019.

### **In Effect Date**

Schedule 12 of the *More Homes, More Choice Act, 2019* makes changes to the *Planning Act*. All changes, except for those related to community benefits charges, came into force on September 3, 2019, as specified by proclamation. This includes changes to:

- Broaden the Local Planning Appeal Tribunal's jurisdiction over major land use planning matters (i.e., official plans and zoning by-laws) and give the Tribunal the authority to make a final decision on appeals of these matters based on the best planning outcome;
- Reduce timelines for municipalities to make planning decisions;
- Remove certain "third party" appeals;
- Authorize the Minister of Municipal Affairs and Housing to mandate the use of a community planning permit system in or around specific locations to promote intensification around transit;
- Require municipalities to authorize in their official plans and zoning by-laws additional residential units in both a primary dwelling and ancillary building or structure; and
- Promote the development of affordable housing near transit by focusing the use of inclusionary zoning.

### **Regulations**

To help implement the *Planning Act* changes, amendments to existing regulations under the Act also came into force at the same time as the related legislative provisions.

These regulations were filed on August 29, 2019 and include changes to:

- Set out transition rules for planning matters that are in process;
- Remove or update certain redundant or out-dated provisions and references;
- Remove the ability to appeal (except by the province) the implementing by-law when a municipality is required to establish a community planning permit system through a Minister's order; and

-2-

- Clarify that the new community benefits charge by-law will not apply in areas within a municipality where a community planning permit system is in effect.

A new regulation for additional residential units (ARUs) was also filed on August 29, 2019 and helps remove certain zoning barriers to the creation of additional residential units by establishing the following requirements and standards:

- One parking space for each ARU, which may be provided through tandem parking as defined;
- Where a municipal zoning by-law requires no parking spaces for the primary residential unit, no parking space would be required for the ARUs;
- Where a municipal zoning by-law is passed that sets a parking standard lower than a standard of one parking space for each ARU, the municipal zoning by-law parking standard would prevail;
- An ARU, where permitted in a zoning by-law, may be occupied by any person regardless of whether the primary residential unit is occupied by the owner of the property; and
- An ARU, where permitted in a zoning by-law, would be permitted without regard to the date of construction of the primary or ancillary building.

Our proposal for the new and amended regulations was posted on the [Environmental Registry of Ontario](#). All comments received were carefully considered.

You can view copies of the new and amending *Planning Act* regulations on Ontario's e-Laws:

- [New Ontario Regulation 299/19](#) – “Additional Residential Units”
- [Ontario Regulation 296/19](#) – amending Ontario Regulation 174/16 “Transitional Matters - General”
- [Ontario Regulation 297/19](#) – amending Ontario Regulation 543/06 “Official Plans and Plan Amendments”
- [Ontario Regulation 298/19](#) – amending Ontario Regulation 544/06 “Plans of Subdivision”
- [Ontario Regulation 301/19](#) – amending Ontario Regulation 173/16 “Community Planning Permits”
- [Ontario Regulation 300/19](#) – amending Ontario Regulation 232/18 “Inclusionary Zoning”

If you have any questions about the changes to the *Planning Act* and related regulations, please email [PlanningConsultation@ontario.ca](mailto:PlanningConsultation@ontario.ca).

Sincerely,

Steve Clark  
Minister

September 5, 2019

Dear Municipal Colleagues:

This is to advise that City Council, at a meeting held on August 26, 2019, passed the following resolution regarding single-use disposable wipes:

“WHEREAS in 2018 the City of Kitchener implemented a sustainable funding model Water Infrastructure Project (WIP) for the city’s water, sanitary and stormwater infrastructure to ensure the safe delivery of these valued utilities; and,

WHEREAS in 2018 a multi-year initiative approved through the WIP has already improved several key measures of water quality, and proactive maintenance has reduced the risk of flooding in high-risk areas; and,

WHEREAS in 2018 the City has already seen a number of impacts due to the implementation of the WIP including: 48% decrease in complaints related to discoloured water; Storm main repairs increased by 27 per cent; 300 metric tonnes of sediment removed from catch basins; and, 2,200 properties protected against backflow and cross-connection contamination; and,

WHEREAS Single-use wipes are a \$6-billion industry and growing, and are now being advertised as the clean alternative to toilet paper and are safe to flush; and,

WHEREAS there is no one standard for what the word “flushable” means; and,

WHEREAS Single-use wipes are in fact not safe to flush as they are buoyant; are not biodegradable; and, are unable to break down into small pieces quickly; and,

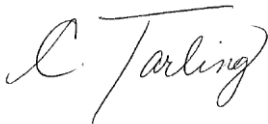

WHEREAS Single-use wipes accumulate in the sewer system and eventually clog the sanitary sewer system costing municipalities hundreds of millions of dollars in additional repairs and maintenance costs each year to municipal sewer systems across the country; and,

WHEREAS there is a lack of public awareness of the impact caused by non-flushable wipes being flushed down toilets and consumer education and outreach could play a large part in reducing the impact;

THEREFORE BE IT RESOLVED that the City of Kitchener lobby the Federal Government, to review regulations related to consumer packaging on single-use wipes to remove the word flushable; and,

BE IT FINALLY RESOLVED that this resolution be forwarded to the Right Honourable Prime Minister of Canada; the Honourable Premier of Ontario; the Minister of the Environment, Conservation and Parks; the Minister of Municipal Affairs and Housing; the Association of Municipalities of Ontario; the Local Members of Provincial Parliament; the Region of Waterloo; and, all Municipalities within the Province of Ontario.”

Yours truly,

Motion #: 17

Resolution #: 17

Date: August 27, 2019

WHEREAS Council has discussed lobbying the provincial ministers to be allow for electronic delegation; And

WHEREAS Council feel that it is unjust to have to attend expensive conferences to be able to have a delegation with Ministers or the Premier; And

THEREFORE, Council request that the Ministers and the Premier offer electronic delegations to small and rural Municipalities that do not have sufficient budget to attend conferences; And

FURTHER THAT this resolution be sent to all Ontario Municipalities in order to request their support on the matter; And

FURTHER THAT this resolution be sent to the Premier and all the Ministries for their consideration.

**Re: Resolution Regarding Provincial Funding Cuts to Legal Aid Ontario**

Please be advised the Council of the Municipality of Chatham-Kent at its regular meeting held on September 9, 2019 endorsed the following resolution;

“Whereas, the Chatham-Kent Legal Clinic (the “Clinic”) has delivered legal services in Chatham-Kent (the “Municipality”) for over 38 years to area residents who cannot afford legal assistance because of financial hardship – including those who are disabled, on social assistance, pensioners, the unemployed, or those with low income;  
And Whereas, the Clinic’s services are aimed at ensuring that people with low incomes are able to meet their most basic needs, which in turn gives them the ability to live with health and dignity as active members of their community;

And Whereas, like other community legal clinics across the province, the Clinic carries out this invaluable work through funding provided by Legal Aid Ontario (“LAO”);

And Whereas, the provincial government’s 2019 Budget has cut funding to Legal Aid Ontario by \$133 Million – which is a 35% reduction in provincial funding – retroactive to April 1, 2019, with cuts rising to \$164 Million (45%) by 2021-22;

And Whereas, these significant cuts will result in a reduction of critical legal clinic services to low income residents in our community resulting in adverse social and economic consequences for the Municipality served by the Clinic – from

- increased reliance on municipal services including increased homelessness resulting from avoidable evictions,
- increased poverty resulting from lack of income supports and employment supports and

- increased reliance on social assistance administration resulting from people being denied appropriate supports

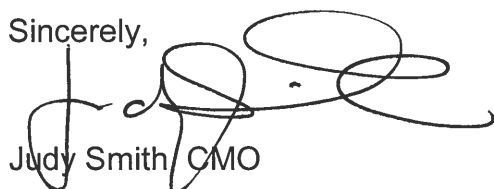

And Whereas, the Council of the Municipality believes all levels of government should provide fair, economically-sound, and evidence-based programs and supports to help low-income residents, vulnerable people, and other equity-seeking individuals escape poverty, precarious housing, and systemic disadvantage, realize their full potential by living healthy and safe lives.

Be it therefore resolved that, the Council of the Municipality of Chatham-Kent forward a letter to local MPPs, the Attorney General and the Premier of Ontario (and all municipalities in Ontario)

- expressing its strong support for Legal Aid Ontario and its funding of Ontario's community legal clinics, and specifically the Chatham-Kent Legal Clinic, which provides legal services to low income and vulnerable Ontarians;
- expressing its strong opposition to the funding cuts imposed on Legal Aid Ontario by the provincial government;
- calling upon the Premier and the Attorney General to make a commitment to access to justice and to respect the commitment of their government to not decrease front line services; and
- urging the province to restore full funding to these critical services to ensure that all the residents of Chatham-Kent have access to a fair and equitable justice system, regardless of their incomes."

September 13, 2019

Councillor Stewart Patterson, Ward 1  
Haldimand County  
45 Munsee Street North  
Cayuga, ON N0A 1E0

**Re: Replacement of Wood Pole Transmission Structures located in the Haldimand County**

Dear Councillor Patterson:

This letter is to inform you that Hydro One Networks Inc. (Hydro One) is initiating a Class Environmental Assessment (EA) to refurbish approximately 2 structures along the existing 230 kilovolt (kV) transmission line on Circuit N21J in Haldimand County. The map provided shows a local view of the structures to be replaced in your community.

This project has been identified for replacement through Hydro One's annual wood pole testing program, as some of the wood poles have reached their end-of-life. Replacing damaged and aging structures will ensure the continued reliability and integrity of the transmission line and electricity supply to the areas. We anticipate that this work would be carried out within the existing transmission corridors, with no new corridors being required. Where possible, access to the transmission structures would be gained using existing roads and trails. There would be very little noticeable difference in the transmission line after the project has been completed.

This type of project is considered routine maintenance work with relatively minor effects, and are subject to the Class Environmental Assessment for Minor Transmission Facilities (Hydro One, 2016), in accordance with the *Ontario Environmental Assessment Act*. The Class EA is a streamlined planning process that has proven effective in ensuring that minor transmission projects that have a predictable range of effects have feasible environmental mitigation and/or protection measures in place. The Class EA process contains screening provisions that may apply to this project.

Contingent on the outcome of the Class EA, the replacement of wood poles may begin as early as January 2020 and be completed by the end of 2020.

As per the request of the Minister of the Environment, Conservation and Parks, information regarding the *Freedom of Information and Protection of Privacy Act* is included and can be viewed below.

If you have any questions, or would like additional information regarding this project, please feel free to contact me at (416) 345-6799, or [Community.Relations@HydroOne.com](mailto:Community.Relations@HydroOne.com). Information regarding this project will also be available on our project website at [www.hydroone.com/woodpoles](http://www.hydroone.com/woodpoles). Your input for this project is valued and would be appreciated by October 18, 2019.

Sincerely,
