PURPOSE AND EFFECT OF BY-LAW /19

The subject lands are legally described as Part Lots 9 & 10, Concession 6, Geographic Township of Rainham.

The purpose of this by-law is to fulfill a condition of consent for severance application PLB-2019-044 by prohibiting future residential development and home occupations on the subject lands. Also, the proposed severed lands will have a deficiency with regards to frontage. The proposed frontage is 8 metres whereas the zoning by-law requires 30 metres in the Agricultural zone.

In the Haldimand County Official Plan, the subject lands are designated as 'Agriculture' and there are no policy conflicts or issues as no new development is proposed.

The lands are zoned 'Agricultural (A)' in the Town of Haldimand Zoning By-law 1-H 86 which permits uses including farm, animal kennel, farm produce grading station, storage of school buses, seasonal storage of recreational vehicles and equipment as a secondary use to a permitted farm, commercial radio, television and telecommunication towers, but excluding any office or studio associated there with, structures accessory to a mine ventilation or emergency access shaft, one airstrip and one hangar, motor homes and bunk houses for seasonal workers provided they are located on the farm on which the seasonal workers are employed, one family dwelling house, farm stand, on-farm market, farm-related processing, experiential activities and home occupation.

All of the above uses will remain permitted as-of-right except for a one family dwelling (and home occupation) which shall be prohibited on the subject lands.
