Written Submission:

Justin McBride  
[REDACTED]

Nanticoke, (Cheapside)  
N0A1L0

For January 14th, 2020 meeting.

I live in the village of Cheapside with my wife and two children.

Lots of other young families have been moving into our little town that already has side walks leading to the main intersection.

Concession 2/Cheapside rd and the youth have nowhere to play.

I believe it would be a great idea for the community to install a simple park for the kids to play.

The Cheapside Baptist church cemetery is located on the main corn that is an ideal spot somewhere that doesn't interfere with the graveyard.

I am willing to volunteer to take care of maintaining the park if it were to be built. Also look to the community for support by donations.

Thanks for consideration,  
Justin McBride
