PURPOSE AND EFFECT OF BY-LAW

/20

This By-law amendment applies to the lands located south of Concession 3 Walpole Road, and legally described as Walpole Concession 3, Part Lots 5 & 6, RP 18R4628 Part 1, Geographic Township of Walpole.

The purpose of this by-law is to add permitted uses through a special provision for the subject lands which are currently zoned "Agriculture (A)". The special provision will include permission for a proposed asphalt storage and distribution facility. There is an additional provision that will permit additional building height of 18 metres where 11 metres is permitted.

The lands are designated Agricultural within the Haldimand County Official Plan, and have been subject to an Official Plan Amendment to support the proposed uses.

In order to ensure appropriate on-site development, this proposal will be subject to site plan control which is applied through a 'Holding (H)' provision. This review will address design considerations such as stormwater management, lot grading, location of entrances, photometrics, buffering and servicing.
