PURPOSE AND EFFECT OF BY-LAW /20

The subject lands are legally described as: HAGERSVILLE PLAN 905, BLK 2, LOT 1, LOT 2.

The purpose of this by-law is to rezone the subject lands from R1 to R2-H to permit the development of semi detached dwellings, subject to the submission and approval of a lot grading and drainage plan and execution and registration of a development agreement.

In the Haldimand County Official Plan, the subject lands are designated as 'Residential' and there are no policy conflicts or issues since the proposed development will conform to the permitted uses as described for this designation.

There will be a special provision applied to address the deficiencies for interior side yard setbacks, due to the fact that the proposed development will have a side yard setback of 1.2 metres. The proposed setback of 1.2 metres will be addressed through special provision 37.574.

The lands will be rezoned from 'Urban Residential Type 1 - A' to 'Urban Residential Type 2-H' in the Town of Haldimand Zoning By-law 1-H 86 which permits: a one family dwelling house in accordance with the provisions of the R1 zone and a two family dwelling house. Upon the receipt and approval of a lot grading and drainage plan execution and registration of a development agreement, the 'H' Holding will be removed from the subject lands.
