PURPOSE AND EFFECT OF BY-LAW /20

The subject lands are legally described as Part Lot 6, Concession 4, Geographic Township of Rainham. The purpose of this by-law is to fulfill a condition of consent for severance application PLB-2019-200 by recognizing an overage in accessory structure floor area, and removing the development opportunities for the retained farmland. The total accessory structure floor area is proposed to be 822.4 square metres where 200 square metres is permitted. In the Haldimand County Official Plan, the subject lands are designated as 'Agriculture' and there are no policy conflicts or issues as no new development is proposed. The lands are zoned 'Agricultural (A)' in the Town of Haldimand Zoning By-law 1-H 86 which permits uses including farm, animal kennel, farm produce grading station, storage of school buses, seasonal storage of recreational vehicles and equipment as a secondary use to a permitted farm, commercial radio, television and telecommunication towers, but excluding any office or studio associated there with, structures accessory to a mine ventilation or emergency access shaft, one airstrip and one hangar, motor homes and bunk houses for seasonal workers provided they are located on the farm on which the seasonal workers are employed, one family dwelling house, farm stand, on-farm market, farm-related processing, experiential activities and home occupation.
