Truth of Recitals

1. The parties hereto hereby confirm the truth of the recitals contained above.

Term

2. This MOU shall commence on the _____ day of _____, 2020 and run for a term of five (5) years, unless terminated earlier pursuant to the provisions of this MOU. Haldimand, at its sole discretion, may renew this MOU for two further terms of five (5) years each and Haldimand shall give the Corporation/Group written notice of the

intention to renew. Such written notice shall be provided no less than one hundred and twenty (120) days prior to the expiration of the MOU.

In the event either party wishes to terminate this MOU prior to the termination date, one hundred and eighty (180) days written notice is required.

Taxes

3. Haldimand shall pay all real property and other taxes, rates, duties and assessments, imposed charges or levies, that are levied, rated, charged or assessed against the Lands or any part thereof from time to time by any lawful taxing authority, whether federal provincial, municipal, school or otherwise.

Utilities, Maintenance and Operating Costs and Repair Costs

4. The Corporation/Group acknowledges that it has inspected the Lands in conjunction with Haldimand to its satisfaction and accepts the Lands as they exist as of the commencement date of this MOU, knowing fully the condition thereof and agrees and acknowledges that Haldimand has made no statements, representations, warranties, covenants, agreements or undertakings of any kind with respect thereto other than those specifically set out herein.
5. Except as otherwise expressly provided herein, the Corporation/Group shall pay all utilities, maintenance and operating costs and expenses of any nature or kind whatsoever relating to the Lands and the Corporation's/Group's use thereof during the Term, notwithstanding Article 3. Without limiting the generality of the foregoing, the Corporation/Group shall be solely responsible for and shall promptly pay all charges for water, gas, electricity, telephone, garbage and waste removal, and all other utilities used or consumed in or on the Lands. Except as a result of negligence or malfeasance on the part of Haldimand, Haldimand shall not be liable for, nor have any obligation with respect to, an interruption or cessation of, or a failure in the supply of any such utilities, services or systems, including without limitation the water and sewage systems, to the Lands whether or not supplied by Haldimand or others. The special provisions set out at the end of this MOU further detail the Corporation's/Group's obligations with respect to operating costs.
6. Haldimand shall perform and pay for matters related to legislation and public health and safety as applicable, including, but not limited to: annual fire extinguisher and emergency lighting inspections/repairs/replacement; semi-annual range hood fire suppression system inspections/cleaning/repair/replacement; cistern bi-annual maintenance/repairs/replacement; and, quarterly water testing, at the sole discretion of Haldimand. In compliance with the Parks By-law and related operating times for fields and parks, the Corporation/Group will complete: monthly fire extinguisher and emergency lighting inspections; weekly cistern system inspections as applicable and keep records of all required inspections as required by Haldimand.
7. The Corporation/Group, at its own expense, shall maintain and keep the Lands and every part thereof in good repair, order and safe condition and promptly make all needed repairs and replacements to the Lands using at all times new materials.

8. If the Corporation/Group refuses or neglects to repair and/or replace as required pursuant to this MOU and to the reasonable satisfaction of Haldimand within ten (10) days of receipt of written notice to the Corporation/Group, Haldimand may make such repairs without liability to the Corporation/Group for any loss or damage that may accrue to the Corporation's/Group's merchandise, fixtures, other property or business by reason thereof, and upon completion of such repairs, the Corporation/Group shall pay to Haldimand, upon presentation of bills therefore, Haldimand's cost for making such repairs.
9. The Corporation/Group and Haldimand will arrange for site visits to be conducted jointly at approximately six month intervals or as reasonably required by Haldimand, which shall be attended by representatives of the Corporation/Group and Haldimand, with a view to collaboratively identifying upcoming needs for repairs.
10. The Corporation/Group covenants that it shall be lawful for Haldimand and its agent(s) at all reasonable times during the Term to enter all areas of the Lands jointly with a Corporation/Group representative (if available) to inspect the condition thereof. (Haldimand will attempt to provide twenty-four (24) hours telephonic notice.) Where an inspection reveals that repairs are necessary, Haldimand shall give to the Corporation/Group notice in writing, and immediately thereafter the Corporation/Group will forthwith proceed to make all necessary repairs in a good and workmanlike manner, using at all times new materials, and to the satisfaction of Haldimand, so as to complete same within the reasonable time or times provided for in the notice delivered by Haldimand as aforesaid. The failure by Haldimand to give notice shall not relieve the Corporation/Group from any of its obligations to repair in accordance with the provisions hereof.
11. The Corporation/Group will, at the expiration or earlier termination of the Term or any renewals thereof, peaceably surrender and yield up to Haldimand the Lands with all improvements, erections and appurtenances, other than the Corporation's/Group's trade fixtures, which at any time or times during the Term shall be made, placed or erected therein or thereon, in good and substantial repair and condition, reasonable wear and tear and damage by fire, lightning and tempest only excepted, and the Corporation/Group shall surrender all keys for the Lands to Haldimand. The Corporation/Group shall, however, if requested by Haldimand, remove all improvements, erections, alterations, fixtures or other appurtenances made, placed or erected at any time or times during the Term in or on the Lands, at the sole cost and expense of the Corporation/Group, and shall repair all damage to the Lands caused by their installation and/or removal. The Corporation's/Group's obligation to observe and perform this covenant shall survive the expiration or sooner determination of the Term or any renewal thereof.

Assignment and Subletting

12. The Corporation/Group shall not assign this MOU or any part hereof or any of the rights or benefits conferred hereunder to any other person or party, notwithstanding the automatic assignment of subsequent Boards of Executives forming part of the Corporation/Group.
13. The Corporation/Group shall not sublet the Lands or any part thereof to any other person or party without the prior written consent of Haldimand, which consent may be unreasonably withheld.

Use of Lands and Amenities by the Corporation/Group

14. The Corporation/Group hereby agrees that it shall, from the commencement date of this MOU, and throughout the Term, use, provide, operate and maintain the Lands primarily for the purposes of local sports and recreation use, for the purposes of Haldimand and its citizens and for a public use.
15. The Corporation/Group will provide to Haldimand and keep current a list of Executive and Board Members as well as all volunteers who will be involved with the Park or Field on an annual basis.
16. The Corporation/Group hereby represents and warrants to Haldimand that it has the authority to and is solely responsible for determining whether a rental of the Lands may pose a potential risk to public safety or may not be in the best interests of the community or Haldimand. In such instances, the Corporation/Group has sole discretion with respect to granting such a rental notwithstanding Articles 16 and 20.
17. The Corporation/Group shall promptly comply with all requirements of all applicable statutes, laws, by-laws, rules, regulations, ordinances and orders from time to time in force during the Term hereof, whether municipal, parliamentary or otherwise, including all lawful requirements of the local board of health, police and fire departments and municipal authorities and with every applicable regulation, order and requirement of any liability or fire insurance company by which Haldimand and the Corporation/Group or either of them may be insured with at any time during the Term hereof.

Insurance Provisions

18. Throughout the Term, and provided that the Corporation/Group is not in breach or default under any of the terms and conditions of this MOU, Haldimand shall be responsible for the cost and maintenance of fire, peril, damage and liability insurance in relation to the Lands. It is the responsibility of the Corporation/Group to report any damage or personal injury incidents that occur on the Lands, to Haldimand immediately upon discovery.
19. Throughout the Term, the Corporation/Group shall be responsible to pay for and maintain a contents and equipment insurance policy for all contents and equipment owned by the Corporation/Group. Haldimand shall not be responsible for insurance for the Corporation's/Group's equipment and/or contents and shall not be responsible for any damage or theft of any property or equipment owned by the Corporation/Group. It is the responsibility of the Corporation/Group to provide to Haldimand any keys to any locks installed on the Lands. The Corporation/Group covenants that it shall be lawful for Haldimand and its agent(s) at all reasonable times during the Term to enter all areas of the Lands jointly with a Corporation/Group representative (if available) to inspect the condition thereof.
20. The Corporation/Group hereby warrants and represents that it will, throughout the Term, keep in place and abide by a policy (Schedule "B") pursuant to which the Corporation/Group will only rent the Lands to any person, group or entity which intends to use or uses the Lands for a function involving the use, sale or service of alcoholic beverages of any kind, if such person, group or entity, prior to its rental of the Lands, provides to the Corporation/Group written confirmation that the event is in keeping with Alcohol and Gaming Commission of Ontario regulations and that a valid policy of liability

insurance is in place in relation to the event with coverage, including liquor liability, in the minimum amount of two million dollars (\$2,000,000.00) per occurrence with Haldimand being listed as an Additional Insured. Furthermore, the Corporation/Group hereby warrants and represents that it will not rent the Lands to any person, group or entity which does not provide written confirmation respecting AGCO compliance and insurance in the manner outlined above. This requirement shall not apply to any person, group or entity, which intends to rent the Lands for a function not involving the use, sale or service of alcoholic beverages.

Damage or Destruction

21. Whenever during the Term the Lands or any part thereof shall be destroyed or damaged by fire, lightning or tempest, or any of the perils insured against under the provisions of Haldimand insurance policies, the County will solely determine the future of the facility (e.g. replace, not replace, modify and replace etc.). Then the parties hereto shall agree in writing as to the Corporation's/Group's continued occupancy of the Lands and the continuation of this MOU.

Events of Default and Termination of MOU

22. As applicable, in the event that:

- (a) the Corporation/Group fails to pay annual rent or any other payments required to be made by it hereunder, either to Haldimand or to any other party, at the time such payments become due; or

Improvements and Alterations by Corporation

- 25. If the Corporation/Group shall, during the Term, desire to effect any improvements or alterations in or to any part of the Lands, it may do so at its own expense at any time and from time to time, provided that the Corporation/Group has obtained the written consent of Haldimand prior to the commencement of such alterations or improvements, which consent will not be unreasonably withheld. It is agreed that Haldimand will deal with any such request promptly.

The Corporation/Group hereby acknowledges that Haldimand provides an annual grant to support the operations and maintenance of the Lands, the purchase of equipment related to the operations of the Lands and related insurance.
