Bernie Corbett, Chair

Haldimand County Police Services Board

Haldimand County Administration Building

53 Thorburn St. S. Cayuga, On. NOA IEO

Dear Sir

Trespassing issues at my Hagersville Lands: Crystal Lake subdivision

- 85 Acres Quarry Lake
- 44 Acres Farmland

In reply to your expressed great concern of trespassing on my, and neighboring properties

I express great concern of the lack of your board direction to police not doing their job.

This will not stop until Police as directed , arrest/and or charge the trespassers, shame on ya'll for blaming the victim here.

I was raised to respect God, Country, the Police, and other people's property.

Not one to call for Police help willy nilly, I called OPP last month for assistance (first time in 8 years)...my wife and I fled our property in fear of assault by some 75 trespassers on our land.

I am advised OPP did not arrive until four hours later. When asking what transpired the following day an OPP officer advised he did not have to tell me anything, and I should inquire through Freedom of Information.....Pathetic!

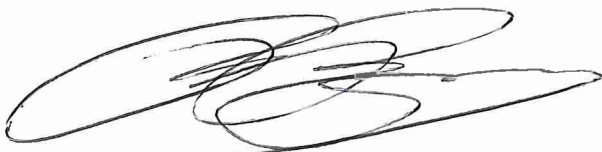

I enclose picture of farm gate repaired and replaced dozens of times and again destroyed.

Charges of trespass...criminal mischief... and break and enter must be made.

I pay taxes on dozens of properties and expect no less. "To Serve and Protect"

Happy to meet and discuss with constructive solutions along with neighbour's copied herewith.

Respectfully, Pieter L. Bezemer, President
