**Subject:** [EXTERNAL]Call for the resignation of Chair Bernie Corbett, Vice Chair Brian Haggith, and members Dan Lawrence and Kerry Boon

**Please be cautious.**

This email originates from outside of Haldimand County.

To whom it may concern:

I am writing in solidarity with the land defenders at 1492 Land Back Lane.

I am appalled and disgusted by the racism and violence displayed by Chair Bernie Corbett, Vice Chair Brian Haggith, and members Dan Lawrence and Kerry Boon at the recent meeting conducted by the Haldimand Police Services Board.

It is absolutely unacceptable that, at this meeting, the Board pressured the OPP to increase their violent enforcement of an interim injunction placed on 1492 Land Back Lane and direct violence towards spokesperson Skyler Williams, the 1492 Land Back camps, and the entire community.

I am alarmed and deeply concerned that these are the views, words, and actions of people on the Haldimand Police Services Board.

I join the 1492 Land Back community and its allies in demanding the resignation of the Board and call on leadership to engage in resolution to the dispute that is not led by police.

Now is a time for clear and decisive action to demonstrate a commitment to addressing any and all instances of anti-Indigenous racism, of all racism.
