Attention: Mr. Brian Haggith

Hello, Mr. Haggith. Trying to get my message through this time as I was blocked before.

I was really disturbed to hear how you were fanning the flames of settler hatred against your Indigenous neighbours, allowing lies and misrepresentation to be made, at the recent Police Services Board, which I attended in person.

The venom I heard in your voice was the nastiest of all. No wonder nothing has been peacefully settled in your area!

I would suggest that you read Unsettling Canada and take the course out of Alberta called Indigenous Canada, but you may be beyond help.

Just the same, the one thing we seem to agree on is that the federal government should reconvene talks on disputed lands in your area. So I hope you will indeed call on the federal ministers to come to the area and sit down with the various groups involved, as they announced they would. This delay is not doing anyone any good.

It's really important that the careless, inaccurate, racist and inflammatory statement Mr. Corbett read out be retracted or at least corrected. It is a fact which you can see for yourself on the Haudenosaunee Confederacy website in their statement on the "Unlawful McKenzie Meadows development" that the Haudenosaunee Chiefs Confederacy support 100% the land defenders. The statement that one of the chiefs did not support Mr. Williams in the last round of land dispute might be true, but the insinuation that the Confederacy do not support him in 1492 Landback Lane is utterly false and despicable. You all must think people are pretty stupid, eh? Well, we're not!

If there is injury or loss of life because of how you badgered the OPP to be harsher, I will hold you personally responsible!

Most sincerely,

Mary Love

A fool sees not the same tree that a wise man sees.
William Blake (1757-1827)
