RE: MOTION REGARDING - Insurance

The following resolution was passed by the Council for the Municipality of Charlton and Dack on December 18th, 2020:

WHEREAS the cost of municipal insurance in the Province of Ontario has continued to increase – with especially large increases going into 2021.

AND WHEREAS Joint and Several Liability continues to ask property taxpayers to carry the lion's share of a damage award when a municipality is found at minimum fault;

AND WHEREAS these increases are unsustainable and unfair and eat at critical municipal services;

AND WHEREAS the Association of Municipalities of Ontario outlined seven recommendations to address insurance issues including:

- 1. The provincial government adopt a model of full proportionate liability to replace joint and several liability.
- 2. Implement enhancements to the existing limitations period including the continued applicability of the existing 10 day rule on slip and fall cases given recent judicial interpretations and whether a 1 year limitation period may be beneficial.
- 3. Implement a cap for economic loss awards.
- 4. Increase the catastrophic impairment default benefit limit to \$2 million and increase the third party liability coverage to \$2 million in government regulated automobile insurance plans.
- 5. Assess and implement additional measures which would support lower premiums or alternatives to the provision of insurance services by other entities such as non profit insurance reciprocals.
- 6. Compel the insurance industry to supply all necessary financial evidence including premiums, claims and deductible limit changes which support its

- and municipal arguments as to the fiscal impact of joint and several liability.
- 7. Establish a provincial and municipal working group to consider the above and put forward recommendations to the Attorney General.

THEREFORE BE IT RESOLVED THAT the Council for the Municipality of Charlton and Dack call on the Province of Ontario to immediately review these recommendations and to investigate the unethical practice of preferred vendors who are paid substantial amounts over industry standards, despite COVID 19 delays, as insurance premiums will soon be out of reach for many communities.

AND FURTHER BE IT RESOLVED THAT this motion be provided to the Honourable Doug Ford, Premier of Ontario, the Honourable Rod Phillips, Minister of Finance, the Honourable Doug Downey, Attorney General of Ontario, the Honourable John Vanthof, MPP for Timiskaming- Cochrane, and all Ontario municipalities.

Dear Premier Ford and Honourable Ministers,

Re: Endorsement St. Catharines Resolution Bill 197

At their meeting of January 19, 2021 Norfolk County Council approved Resolution No. 6 of the Council-In-Committee meeting of January 12, 2021 endorsing the resolution of St. Catharines respecting Bill 197 which reads as follows:

Res. 6

WHEREAS Schedule 6 of Bill 197, COVID-19 Economic Recovery Act, 2020 considers amendments to the Environmental Assessment Act relating to municipal autonomy and the principle that municipalities can veto a development outside their municipal boundary in an adjacent municipality; and

WHEREAS Bill 197 empowers multiple municipalities to 'veto' development of a landfilling site within a 3.5 km zone inside the boundary of an adjacent municipality; and

WHEREAS Bill 197 establishes a dangerous precedent that could be expanded to other types of development; and

WHEREAS Bill 197 compromises municipal autonomy and the authority of municipal councils to make informed decisions in the best interest of their communities and municipal taxpayers; and

WHEREAS amendments in Schedule 6 could cause conflict in the effective management of landfill sites, put significant pressure on existing landfill capacity, and threaten the economic activity associated with these sites;

THEREFORE BE IT RESOLVED That Norfolk County calls upon the Government of Ontario (Ministry of the Environment, Conservation and Parks (MOECP) to amend Bill 197, COVID-19 Economic Recovery Act, 2020, to eliminate the development approval requirement provisions from adjacent\ municipalities and that the 'host' municipality be empowered to render final approval for landfills within their jurisdiction; and

Re: Universal Paid Sick Days in Ontario Our File 35.31.99

Dear Premier Ford:

At its meeting held on February 1, 2021, St. Catharines City Council approved the following motion:

"WHEREAS workers in Ontario without paid sick leave often feel forced to work when unwell so they can feed and support their families and are at risk of losing a paycheque or even their jobs if they stay home; and

WHEREAS the Canada Recovery Sickness Benefit is temporary, not accessible to all and not usable for the crucial first few days of an illness; and

WHEREAS had legislated paid sick leave been in place before the global pandemic, lives would have been saved because infection rates would have been reduced; and

WHEREAS the lack of paid sick days has especially hurt Black, Indigenous, workers of colour, women and migrant workers who are over-represented in low-paying frontline jobs with few benefits and a reduced ability to work from home; and

WHEREAS the Ontario Medical Association, 11 GTHA Mayors and Chairs representing Ontario's largest municipalities, the editorial board of the Toronto Star, the Toronto Board of Health, the Decent Work and Health Network, the Ontario Nurses Association, and several other professional associations representing thousands of healthcare workers have all called on the provincial government to legislate paid sick days;

THEREFORE BE IT RESOLVED that the City of St. Catharines endorses legislated sick leave and calls on the government of Ontario to permanently legislate universal paid sick days for all workers in Ontario during the pandemic and beyond, regardless of workplace size, type of work or immigration status; and

BE IT FURTHER RESOLVED that this motion be forwarded to the Premier of Ontario, Minister of Labour, all Regional MPPs, Niagara Region, and all Ontario Municipalities."

Dear Honourable Minister:

At the December 8th, 2019 session of The Town of Carleton Place Council, Resolution 1-132-10 was adopted as follows:

WHEREAS the COVID-19 pandemic has negatively impacted childcare options for nearly every family in our community and has profoundly increased the cost to operate safe childcare forcing childcare spaces or centres to close.

AND WHEREAS Ontario has among the highest average childcare fees of any Canadian province and while costs vary regionally for licensed childcare, families are paying between \$9,000 and \$20,000+ per year for each child and these costs continue to rise steadily which makes passing the associated COVID-19 costs to families not possible;

AND WHEREAS a 2012 study identified that in Ontario, public investment in the early years and childcare has a ripple effect in positive economic benefits resulting in an economic output of \$2.27 for every dollar invested in childcare;

AND WHEREAS the economic recovery of Carleton Place, Lanark County and Ontario is dependent on families having access to safe, reliable, and affordable childcare that incorporates early learning principles;

AND WHEREAS we are committed to working with the provincial government and childcare service mangers to deliver positive and affordable options for our families;

NOW THEREFORE BE IT RESOLVED THAT:

1. The Town of Carleton Place request the Government of Ontario:

a. prioritize children and childcare as part of its overall post pandemic recovery plan;

- b. develop, adequately fund and release publicly a comprehensive plan that can support facilities through the provision of licensed childcare and early learning education; and
- c. provide increased funding to childcare providers reflective of COVID-19 operating cost increases to ensure a safe reopening and long-term sustainability for the sector; and
- 2. this resolution be circulated to all municipalities in Ontario, Randy Hillier MPP, Scott Reid, MP, the Federal Minister of Families, Children and Social Development and the provincial Minister of Education.

CARRIED

We look forward to hearing back from you with respect to any opportunities for funding to ensure the long-term sustainability of the childcare services sector.
