Subject: [EXTERNAL] delegation on school bus stop arm camera program for Haldimand County

Caution

This email is NOT from a Haldimand County Employee

Good afternoon Mr. Corbett,

Thank you for taking my call today.

I am looking to see if I can secure some time with the Police Services Board to discuss a school bus stop arm camera program that I am looking to partner with Haldimand County in implementing.

The program has zero up-front or on-going costs to the County, other than the time it would take an officer already on the clock to review stop arm possible violations that have been put together by the technology company we are currently working with. The company, if any background is needed, is BusPatrol.

I look forward to speaking with you and the committee about this further at your convenience.

Have a great day,

Philip Kuckyt
