

Village Green Final Concept

Preferred Park Features: The following list is representative of community desires and 'best fit' suitability

- Community Gathering Space
- Refurbished Gazebo
- Toddler Playground
- Entry Plaza
- Formalized Pathways
- Additional Parking
- Trail Connections
- Park Furnishings
- Pop-Up Market Area

Focal Entry Point

- Plaza with decorative paving to highlight Park entrance
- Relocate monument as focal point to converging pathways; accent with foundation plantings
- Inclusion of benches, bike racks and waste receptacles

Existing Parking

Toddler Playground

- Swings, small play structure

Gazebo

- Refurbish/rebuild
- To include possible public restrooms

Pop-Up Market Area

- Open space provides opportunity for modular tents lining widened pathway
- Adjacent to parking lot for ease of loading/unloading

Stage Area

- Site for Community Trailer
- Include Park amenities (benches, waste receptacles, etc.)
- Maintain access through parking area for trailer

Pedestrian Gateway

- Park access from Grand Vista Trail
- Wayfinding to enhance 'Park system' connection

Additional Parking Lot

- Primarily to service events, activities
- Accommodates 13 vehicles (1 accessible)
- Asphalt; defined edges with perimeter plantings

Plant Buffer

- Frames stage area
- Defines gathering space
- Separates parking area from gathering space
- Provides protected area for electrical outlets

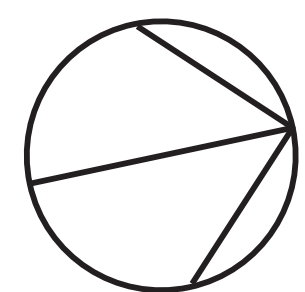

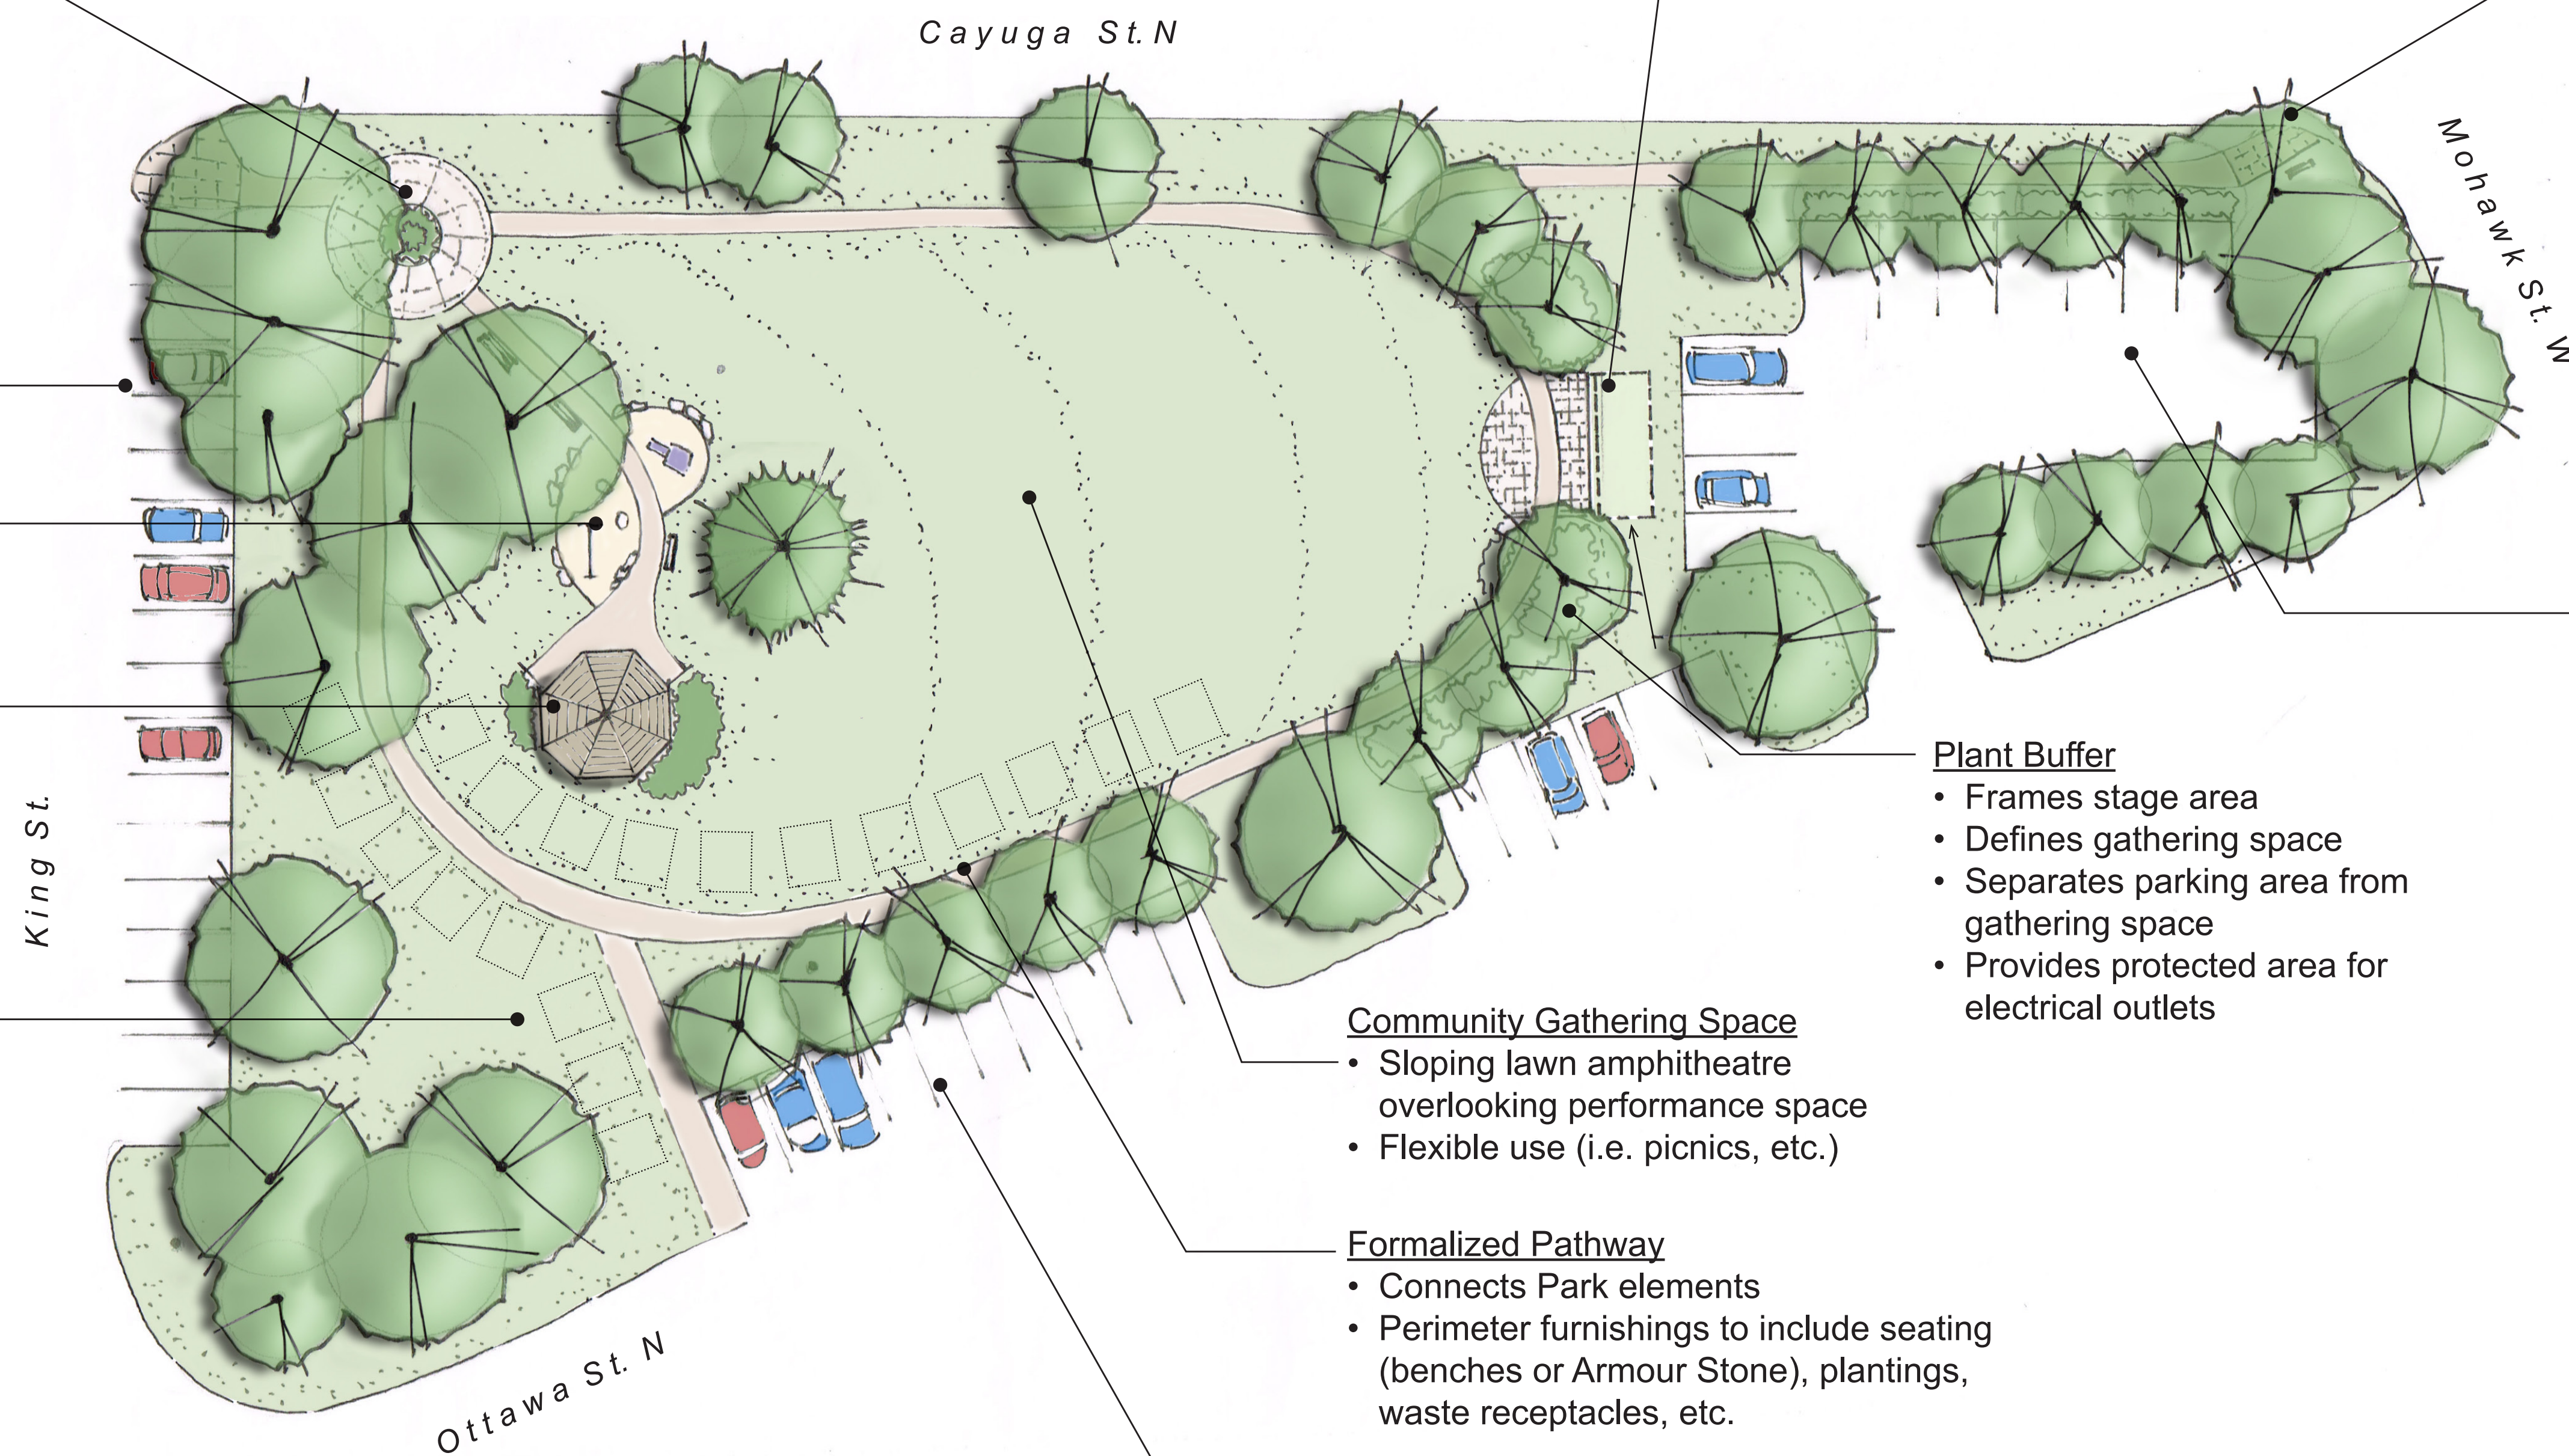

Community Gathering Space

- Sloping lawn amphitheatre overlooking performance space
- Flexible use (i.e. picnics, etc.)

Formalized Pathway

- Connects Park elements
- Perimeter furnishings to include seating (benches or Armour Stone), plantings, waste receptacles, etc.

Existing Parking

0 10 20m
