2. AND THAT the General Manager, Engineering and Capital Works be authorized to execute the encroachment agreement with the Ministry of Transportation.

Respectfully submitted: Tyson Haedrich, M. Eng., P. Eng., General Manager of Engineering and Capital Works

Approved: Craig Manley, MCIP, RPP, Chief Administrative Officer

EXECUTIVE SUMMARY:

The purpose of this report is to receive Council approval to authorize the General Manager, Engineering and Capital Works to execute the required MTO encroachment agreement for the installation of the Jarvis to Townsend sanitary forcemain along a section of Highway 3 in Jarvis.

BACKGROUND:

In fall 2020, following completion of the final design drawings for the Jarvis to Townsend sanitary forcemain, the County submitted all required documents and plans to the Ministry of Transportation (MTO) for the encroachment permit application.

The MTO has approved the encroachment application and as part of the permitting process a legal encroachment agreement with the MTO is required. The agreement permits the installation of County infrastructure within the MTO right-of-way and includes the required insurance, site restoration requirements, notifications, plans, etc.

ANALYSIS:

The Ministry of Transportation (MTO) has prepared the encroachment agreement for the section of the Jarvis to Townsend sanitary forcemain along Highway 3 as shown in Attachment 1 and this agreement requires Council approval for execution.
