Attention Haldimand Council,

CLERK'S

AUG 06 2020

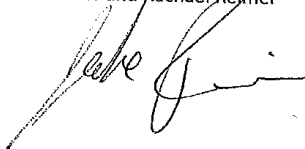

*Corporate Services Dept.
Haldimand County*

We are seeking approval on the tear down of current porch and construction of a new covered porch. The current porch is in a deteriorating state with rotting posts and deck boards. Completely unsafe for us and our children.

We have spoken to Haldimand Heritage last fall and they have given their approval with the proposed project. The Building Department has all drawings and plans required for the permit.

Thank you for reviewing our application.
