To Whom It May Concern;

RE: Miranda Curley & Justin Moore Application

: Official Plan Amendment : PLOP-HA 2020-191

: Zoning Amendment : PLZ-HA 2020-192

I am writing on behalf of the cottage owners listed below. After seeing plans provided by A.J. Clarke & Associates, we have no objection to the application and the plans to build on the said property. The owners included in this letter are all on the east side of Hoto Line and include four properties that border the Curley/Moore property. We do not anticipate this development will have any adverse affects on our properties and trust any road damage caused by construction will be remedied. Please note, there are others on the east side of Hoto but we have not seen them since the fall so have been unable to discuss this matter with those property owners.

Sincerely;

*Larry Jaroslowski*
