Dear Jessica Easson,
Re public meeting on 20 April for zoning application PLZ-HA-2020-192

I am the owner of 61 Farr Road, a property that abuts O Hoto Line, the subject lands. I will not be able to attend the meeting but wish the committee members to know that I fully support the application to construct a single family dwelling and agricultural building on the property. I wish the applicants well in their pursuit of this approval.
