PURPOSE AND EFFECT OF BY-LAW /21

The subject lands are legally described as RNH Concession 1 Part Lot 4, Geographic Township of Rainham.

The purpose of this by-law is to permit the construction of a vacation home dwelling with access from a private road for the subject lands.

In the Haldimand County Official Plan, the subject lands are designated as 'Lakeshore Node', and there are no policy conflicts or issues as no new development is proposed.

HC 1-2020 currently permits uses including: a farm; animal kennel; farm produce grading station; storage of school buses; seasonal storage of recreational vehicles and equipment as a secondary use to a permitted farm; commercial radio, television and telecommunication towers, but excluding any office or studio associated therewith; structures accessory to a mine ventilation or emergency shaft; one airstrip and one hangar; motor homes and bunk houses for seasonal workers provided they are located on the farm on which the seasonal workers are employed; one family dwelling house; farm stand; on-farm market; farm-related processing; and experiential activities.

Following this zoning By-law Amendment, the provisions of the 'Lakeshore Residential (RL)' zone will apply, such that the proposed vacations dwelling home can be permitted with access from a private road.
