Dear Premier Ford,

Please be advised that at the Brantford City Council Meeting held April 27, 2021, the following resolution was adopted:

Request - Province of Ontario withdraws its prohibition on golfing and any other outdoor recreational activities

WHEREAS COVID-19 restrictions have had significant impacts; and

WHEREAS many forms of socializing, recreation and sport have been curtailed; and

WHEREAS the game of golf can be enjoyed while maintaining proper social distancing;

THEREFORE BE IT RESOLVED THAT The Corporation of The City of Brantford recommends:

- A. THAT The Province of Ontario withdraws its prohibition on golfing and any other outdoor recreational activities which can be enjoyed while maintaining proper social distancing; and
- B. THAT the City Clerk BE DIRECTED to forward a copy of this resolution to the Premier of Ontario; Will Bouma, MPP, Brantford-Brant, the Association of Municipalities of Ontario, Ontario Big City Mayors; and the list of other Municipalities in Ontario.

Yours truly,

Honourable and Dear Sir:

Re: Province Investigating and Updating Source Water Protection Legislation

Please be advised the Municipal Council of the Town of Fort Erie at its meeting of April 26, 2021 passed the following resolution:

Whereas the Municipal Council of the Town of Fort Erie passed a resolution on October 21st, 2019 identifying that 1,100 private water wells were in operation in the Town of Fort Erie, of which 75% were used for domestic purposes including human and livestock consumption, and

Whereas the Municipal Council of the Town of Fort Erie further identified in that resolution that Council requires the protection of water in the aquifer supplying water to those wells from contamination as the result of any remediation of Pit One owned by the Port Colborne Quarries in the City of Port Colborne, and further

Whereas Report No. PDS-23-2021, approved by Council on March 22, 2021, identified that while the Niagara Peninsula Conservation Authority, The Regional Municipality of Niagara and Local Area Municipalities work together to protect source water, these plans do not generally apply to private servicing, and

Whereas Report No. PDS-23-2021 further identified efforts undertaken by the Town of Fort Erie through available provincial planning policy, regulation and legislation to protect source water within the Town of Fort Erie without any explicit ability to designate source water protection for private services, and

Whereas on July 28, 2010, through Resolution 64/292, the United Nations General Assembly explicitly recognized the human right to water and sanitation and acknowledged that clean drinking water and sanitation are essential to the realization of all human rights, and

Whereas it would be desirable to ensure that those in our community who rely on wells and other private servicing for clean drinking water are afforded the same source water protection as municipal drinking water systems;

Now therefore it be resolved,

That: The Municipal Council of the Town of Fort Erie recognizes and acknowledges that clean drinking water and sanitation are basic human rights and essential to the realization of all human rights, and further

That: The Municipal Council of the Town of Fort Erie requests that the Ministry of Environment, Conservation and Parks consider legislative changes that would permit the expansion of source water protection to aquifers and private services, and further

That: This resolution be circulated to The Honourable Doug Ford, Premier of Ontario, the Honourable Jeff Yurek, Minister of the Environment, Conservation and Parks, Wayne Gates, MPP Niagara Falls, Jeff Burch, MPP Niagara Centre, Jennifer Stevens, MPP St. Catharines and Sam Oosterhoff, MPP Niagara West, and further

That: This resolution be circulated to all Conservation Authorities and Municipalities in Ontario for their endorsement and support.

Thank you for your attention to this matter.

Dear Hon. Thompson:

**Re: Time for Change
Municipal Freedom of Information and Protection of Privacy Act**

Please be advised the Council of the Municipality of Chatham-Kent at its regular meeting held on March 1, 2021 passed the following resolution:

WHEREAS the Municipal Freedom of Information and Protection of Privacy Act R.S.O. 1990 (MFIPPA) dates back 30 years;

AND WHEREAS municipalities, including the Municipality of Chatham-Kent, practice and continue to promote open and transparent government operations, actively disseminate information and routinely disclose public documents upon request outside of the MFIPPA process;

AND WHEREAS government operations, public expectations, technologies, and legislation surrounding accountability and transparency have dramatically changed and MFIPPA has not advanced in line with these changes;

AND WHEREAS the creation, storage and utilization of records has changed significantly, and the Municipal Clerk of the Municipality is responsible for records and information management programs as prescribed by the Municipal Act, 2001;

AND WHEREAS regulation 823 under MFIPPA continues to reference antiquated technology and does not adequately provide for cost recovery, and these financial shortfalls are borne by the municipal taxpayer;

AND WHEREAS the threshold to establish frivolous and/or vexatious requests is unreasonably high and allows for harassment of staff and members of municipal councils, and unreasonably affects the operations of the municipality;

AND WHEREAS the Act fails to recognize how multiple requests from an individual, shortage of staff resources or the expense of producing a record due to its size, number or physical location does not allow for time extensions to deliver requests and unreasonably affects the operations of the municipality;

AND WHEREAS the name of the requestor is not permitted to be disclosed to anyone other than the person processing the access request, and this anonymity is used by requesters to abuse the MFIPPA process and does not align with the spirit of openness and transparency embraced by municipalities;

AND WHEREAS legal professionals use MFIPPA to gain access to information launch litigation against institutions, where other remedies exist;

AND WHEREAS there are limited resources to assist administrators or requestors to navigate the legislative process;

AND WHEREAS reform is needed to address societal and technological changes in addition to global privacy concerns and consistency across provincial legislation;

BE IT RESOLVED THAT the Ministry of Government and Consumer Services be requested to review the MFIPPA, and consider recommendations as follows:

1. That MFIPPA assign the Municipal Clerk, or designate to be the Head under the Act;
2. That MFIPPA be updated to address current and emerging technologies;
3. That MFIPPA regulate the need for consistent routine disclosure practices across institutions;
4. That the threshold for frivolous and/or vexatious actions be reviewed, and take into consideration the community and available resources in which it is applied;
5. That the threshold for frivolous and/or vexatious also consider the anonymity of requesters, their abusive nature and language in requests to ensure protection from harassment as provided for in Occupational Health and Safety Act;
6. That the application and scalability of fees be designed to ensure taxpayers are protected from persons abusing the access to information process;
7. That administrative practices implied or required under the Act, including those of the IPC, be reviewed and modernized;
8. That the integrity of the Act be maintained to protect personal privacy and transparent governments.

Dear Honorable Mr. Downey:

Re: Lottery Licensing to Assist Small Organizations

Small organizations are the foundation of rural Ontario. Thousands of hours of selfless volunteerism are logged each year by organizations who may not necessarily be considered not-for profit or charitable. That doesn't mean that they don't contribute to our communities; small organizations cook for the homeless, clean up parks and flower beds, read to young people, teach life skills to young adults, organize parades, put on concerts...the list goes on.

Many of these small organizations are not eligible to receive a lottery license. This makes it impossible for them to continue to be successful as their fundraising capabilities are extremely limited.

Through this correspondence, we request that you give serious consideration to instituting an additional level of lottery licensing which would enable small organizations to obtain a lottery license. Those who are not able to sustain a non-profit or charitable status could still receive a lottery license if their proceeds benefit the community. Thresholds could be placed on the prize values and perhaps even the number of events which could be held in a calendar year.

We hear over and over again about the hardships in our community and we know that there are organizations who have the ability to help and are not permitted to. Understanding this, Council adopted a resolution seeking your consideration.

R-226-2021

It was **Moved** by J. Kirkland, **Seconded** by K. Durst and **Carried**

That staff are directed to contact the Ministry responsible for Alcohol and Gaming of Ontario to seek their assistance in implementing an additional level of licensing which would permit small organizations to hold fundraisers as a method of sustaining our community and organizations;

And further that all municipalities in Ontario are sent this resolution to seek their assistance in lobbying the Ministry.

We look forward to your consideration of our request.

Re: Economic Development Week May 9-15, 2021

On behalf of the members of the Economic Developers Council of Ontario (EDCO), it is our honour and privilege to wish you a Happy Economic Development Week! In collaboration with the International Economic Development Council, let's take this opportunity to celebrate economic development in communities across Ontario.

Now, more than ever economic development is a vital component to the municipal structure. Our professionals are called on to support the local economy and to drive recovery from the COVID-19 pandemic. Equally important for Ontario communities is to also identify opportunities for expansion as the world eyes Canada, and more importantly Ontario for investment.

"Economic Development is an essential component of municipal services. It is the implementation of strategic initiatives that are unique to an area's challenges and opportunities. Tactics are developed in the context of the local and regional economy, industry trends, market demand, labour market, and a host of other factors that are dynamic in nature. For this reason, sustained and long-term investment in Economic Development is crucial to maintaining healthy, economically viable communities."

– MAYOR DAVID BAILEY

This year in celebration of Economic Development Week we are asking municipalities across Ontario to join EDCO in sharing all the good work municipalities are doing to support economic growth in Ontario.

We ask that you join us in sharing your community's economic development success stories. To assist you, EDCO has developed an Economic Development Week toolkit available for download via www.edco.on.ca. Within the toolkit are several tools and suggestions of how you can share your community's economic successes.

We hope that you will take a moment to acknowledge the incredible work your economic development professional has done throughout the last year despite all of the challenges. The role of economic development continues to be imperative to the future of our communities. Look for more resources and exciting program launches on our website at www.edco.on.ca during Economic Development Week.

Sincerely,

Lidy Romanuk
