PURPOSE AND EFFECT OF BY-LAW NO. XX-HC/21

The subject lands are described as RNH CON 1 PT LOT 9 and are municipally known as 20 Lake Erie Lane. The subject lands are designated 'Resort Residential' and are located in the Lakeshore Node of Featherstone Point. The lakeshore nodes are areas with concentrated existing developments which are predominantly recreational residences, and may included related commercial, institutional and recreational facilities servicing the area. The lakeshore nodes are characterized by nodal or linear form of development in lakeshore locations.

The purpose of this by-law is to remove the Holding (H) provision from the subject lands to permit the issuance of residential building permits at such time as the General Manager of Community & Development Services is satisfied that the County approves a lot grading plan or the applicants enter into a mutual drainage agreement for the property.

The removal must be approved by the General Manager of Community & Development Services.
