Delegation Request  
Request to Appear before Council  
Tuesday October 26, 2021

Representatives from the Dunnville & West Haldimand Hospital and Healthcare Foundations request the opportunity to represent their respective hospitals with a proposal for funding.

With the increased demands on Haldimand War Memorial and West Haldimand General Hospitals and the aging and growing populations, DHHF and WHHF will present the Case for Support for consistent yearly support from Haldimand County.

Penny Banks (DHHF) and Lisa Hostein (WHHF) will present trends in demographics, population growth and funding priorities for both hospitals.

Respectfully Submitted:

Lisa Hostein
