January 18, 2022.

TO: Effected Area Residents

I have been contacted by a neighbour requesting an "All Way Stop Sign" at the intersection of Willow Glen Drive & Nanticoke Creek Pkwy.

In the past, this intersection did not meet the criteria for an all way stop. Council has recently changed this policy. Now, with the local Councillor approval, and, 75% of resident's approval that live within 250 metres of the intersection, this can be implemented.

Please contact myself via text, telephone call or email at the contact information below by February 7, 2022 to advise if you are in favour or have objections to the proposed change.

Please stay safe and healthy,

Sincerely,

Stew Patterson,
Ward 1 Councillor
(365) 366-2429
