Craig Manley

Dear Craig Manley:

Bill 109, the *More Homes for Everyone Act, 2022* was passed by the Legislature and received Royal Assent on April 14, 2022. Schedule 5 of the Bill makes changes to the *Planning Act* to:

- expedite approvals and incent timely decisions for zoning, plan of subdivision and site plan applications, and
- ensure provincial housing policies are implemented and priority projects are expedited by providing the province with new tools to address dispute resolution.

One of the *Planning Act* changes provides a new discretionary authority for me as the Minister of Municipal Affairs and Housing to suspend the time period to make a decision on official plans and official plan amendments.

I am writing to notify you that I am using this authority, pursuant to ss. 17(40.1) of the *Planning Act*, to suspend the 120-day timeline for Haldimand County Official Plan Amendment 69, which was adopted on August 29, 2022 and received by the Ministry of Municipal Affairs and Housing on September 20, 2022.

You will be notified when I take further steps under the *Planning Act* in relation to this matter.

Sincerely,

A handwritten signature in blue ink that reads "Steve Clark".

Steve Clark
Minister
