November 22, 2022

TO: Residents in the Area of Lafayette Street East and Saunders Drive

I have been contacted by a neighbour in your area requesting an “All Way Stop Sign” at the intersection of Lafayette Street East and Saunders Drive.

In the past, this intersection did not meet the criteria for an all way stop. Council has recently changed this policy. Now, with local Councillor approval, and 75% of resident approval that live within 250 metres of the intersection, this can be implemented.

Please contact myself via text, telephone call or email using the information provided below. When responding, please include your address. Respond by December 12, 2022 to advise if you are in favour **OR** have objections to the proposed change. Only comments received will be tallied for consideration of the “All Way Stop Sign”.

Please stay safe and healthy,

Sincerely,

Stew Patterson,
Ward 1 Councillor
(365) 366-2429
