Dear Head of Council:

Ontario's housing supply crisis is a problem which has been decades in the making. It will take both short-term strategies and long-term commitment from all levels of government, the private sector, and not-for-profits to drive change. Each entity will have to do their part to be part of the solution.

To help support this important priority, I am pleased to provide you with an update on recent legislative and regulatory changes our government has made to help get 1.5 million homes built over the next 10 years.

**Bill 109, the *More Homes for Everyone Act, 2022***

Bill 109, the More Homes for Everyone Act, 2022, was introduced on March 30, 2022 and received Royal Assent on April 14, 2022.

As part of the government's More Homes for Everyone Plan, Schedule 5 of Bill 109 made changes to the Planning Act. Consequential changes were also made to the City of Toronto Act, 2006.

Most of the Planning Act changes are now in effect except for the zoning and site plan control fee refund provisions, which are due to come into force on January 1, 2023. However, I am committed to bringing forward legislation to delay the effective date of the fee refund changes from January 1, 2023 to July 1, 2023. These legislative changes would be introduced in the new year.

In the event that any fee refunds become due to applicants before these legislative changes are made, municipalities might consider not issuing refunds in the interim given my express commitment to introduce legislation that, if passed, would retroactively cancel the requirement.

You can find more information about Bill 109 on the Environmental Registry of Ontario ([019-5284](https://www.ero.on.ca/019-5284)), and the Ontario Legislative Assembly [website](https://www.ontario.ca/government).

### **Bill 23, More Homes Built Faster, 2022**

Bill 23, the More Homes Built Faster Act, 2022, was introduced on October 25, 2022, and received Royal Assent on November 28, 2022.

To support More Homes Built Faster: Ontario's Housing Supply Action Plan: 2022–2023, Schedule 9 of Bill 23 made changes to the Planning Act. Schedule 1 of Bill 23 also made similar changes to the City of Toronto Act, 2006 related to site plan provisions. Schedule 3 of Bill 23 made changes to the Development Charges Act.

The planning-related and municipal development-related charges changes came into force on November 28, 2022, except for provisions related to removal of planning responsibilities from certain upper-tier municipalities, certain provisions related to parkland dedication, and exemptions from municipal development-related charges for affordable and attainable housing, which will come into force on a day in the future to be named by proclamation. Provisions related to Conservation Authorities will take effect January 1, 2023.

Bill 23 also made changes to legislation led by other ministries. Please see Appendix A for an overview of the effective dates of the Bill 23 changes by schedule.

You can find more information about Bill 23 on the Environmental Registry of Ontario ([019-6163](https://www.ero.on.ca/019-6163)), and the Ontario Legislative Assembly [website](https://www.ola.on.ca/).

### **Bill 3, the Strong Mayors, Building Homes Act, 2022 and Bill 39, the Better Municipal Governance Act, 2022**

Bill 3, the Strong Mayors, Building Homes Act, 2022, was introduced on August 10, 2022, and received Royal Assent on September 8, 2022. Bill 3 and associated regulations ([O. Reg. 529/22](https://www.ero.on.ca/0529-22) and [O. Reg. 530/22](https://www.ero.on.ca/0530-22)) came into force on November 23, 2022.

Bill 39, the Better Municipal Governance Act, 2022, was introduced on November 16, 2022, and received Royal Assent on December 8, 2022. Bill 39, amendments to associated regulations ([O. Reg. 581/22](https://www.ero.on.ca/0581-22) and [O. Reg. 583/22](https://www.ero.on.ca/0583-22)), and additional regulations to prescribe provincial priorities ([O. ## **Appendix B**

### **Bill 3, the Strong Mayors, Building Homes Act, 2022 and Bill 39, the Better Municipal Governance Act, 2022**

As a result of Bills 3 and 39, changes were made to the Municipal Act, 2001, City of Toronto Act, 2006 and the Municipal Conflict of Interest Act, and regulations were established to give the mayors in Toronto and Ottawa strong mayor powers to help advance shared provincial-municipal priorities, including building new homes. These powers include:

- Choosing to appoint the municipality's chief administrative officer,
- Hiring certain municipal department heads, and establish and re-organize departments,
- Creating committees of council, assigning their functions and appointing the Chairs and Vice-Chairs of committees of council, and
- Proposing the municipal budget, subject to council amendments and a head of council veto and council override process.

The mayors of Toronto and Ottawa can also use strong mayor powers related to provincial priorities. These include:

- Vetoing certain by-laws if the mayor is of the opinion that all or part of the by-law could potentially interfere with a provincial priority,
- Bringing forward matters for council consideration if the mayor is of the opinion that considering the matter could potentially advance a provincial priority, and
- Proposing certain municipal by-laws if the mayor is of the opinion that the proposed by-law could potentially advance a provincial priority. Council can pass these by-laws if more than one-third of council members vote in favour.

The provincial priorities for the purposes of strong mayor powers are prescribed in O. Reg. 580/22 and O. Reg. 582/22 and they are:

1. Building 1.5 million new residential units by December 31, 2031.
2. Constructing and maintaining infrastructure to support housing, including, transit, roads, utilities, and servicing.

Dear Head of Council, Municipal Chief Executive Officer and Clerk, and AMO Staff

**Re: Greenbelt Amendments and Revocation of the Central Pickering Development Plan and O. Reg. 154/03**

The government is committed to taking bold action to address Ontario's housing supply crisis by building 1.5 million homes over the next 10 years.

That is why the government has taken further action to support this goal by making changes to the Greenbelt and revoking the Central Pickering Development Plan and the associated Minister's Zoning Order (O. Reg. 154/03) to help build at least 50,000 new homes, while leading to an overall expansion of the Greenbelt by approximately 2,000 acres.

Further to the letters sent on Nov 4, 2022 regarding proposed amendments to the Greenbelt and the letter on October 25, 2022 regarding the proposed revocation of the CPDP, I am writing to provide an update that the government has approved Amendment No. 3 to the Greenbelt Plan (by OIC 1745/2022), amended the Greenbelt Area boundary (O. Reg. 59/05), and revoked the Central Pickering Development Plan (by OIC 1746/2022). The amendments were approved as proposed without modifications.

As Minister, I approved the related amendments to the Oak Ridges Moraine Conservation Plan (O. Reg. 140/02) and revoked the Central Pickering Development Planning Area and the related Minister's Zoning Order (O. Reg. 154/03).

Information on the Greenbelt Area boundary regulation, and the Oak Ridges Moraine Conservation Plan, and the revocation of the Central Pickering Development Plan and Minister's Zoning Order can be found at:

- Designation of Greenbelt Area (O. Reg. 567/22) - <https://www.ontario.ca/laws/regulation/r22567>
- Oak Ridges Moraine Conservation Plan (O. Reg. 568/22) - <https://www.ontario.ca/laws/regulation/r22568>
- Zoning Area - Regional Municipality of Durham, Part of The City of Pickering (O. Reg. 566/22) - <https://www.ontario.ca/laws/regulation/r22566>

Further details on these changes, including updated mapping, will be available online soon.

Thank you to those municipalities who provided feedback. The province looks forward to continued collaboration with municipal partners to get more homes built faster.

Sincerely,

Dear Premier:

**Re: Kingston City Council Meeting, December 6, 2022 – New Motion 5 –  
Resource Recovery and Circular Economy Act, 2016**

---

At the regular meeting on December 6, 2022, Council approved New Motion 5 with respect to request to the Resource Recovery and Circular Economy Act, 2016. At the same meeting, the following resolution was approved:

**Whereas** Municipal governments support the Province's implementation of outcomes-based policies to move responsibility for end-of-life management of designated products and packaging to producers who are the most able to affect system change; and

**Whereas** these policies can improve environmental outcomes, provide new jobs and grow Ontario's economy; and

**Whereas** outcomes-based policies require clear consequences for non-compliance that can be administered in an effective and efficient manner; and

**Whereas** Administrative penalties are a cost-effective tool for the regulator to hold polluters accountable, so there is less burden on the courts and taxpayers; and

**Whereas** the Resource Productivity and Recovery Authority does not have Administrative Penalties which is impacting the ability of the regulator to ensure compliance with the regulations under the Resource Recovery and Circular Economy Act, 2016; and

**Whereas** data provided by Resource Productivity and Recovery Authority shows there is a currently a backlog of over 2,000 cases of potential non-compliance and almost 200 known instances of non-compliance; and

**Whereas** the Resource Productivity and Recovery Authority has found battery producers non-compliant for collection accessibility and processing; and

**Whereas** the largest waste diversion program, the Blue Box, sees the first communities transition in a few months, ensuring the Regulator has appropriate enforcement tools to ensure servicing and outcomes are met is critical for a smooth transition for Ontarians;

**Therefore Be It Resolved That** the City of Kingston calls on the Provincial government to promptly pass an Administrative Penalties regulation under the Resource Recovery and Circular Economy Act, 2016; and

**That** this resolution be circulated to the Premier of Ontario, the Minister of the Environment, Conservation and Parks, MPP Ted Hsu, MPP John Jordan, the Association of Municipalities of Ontario, and all Municipalities in Ontario for their consideration and support.
