Report ECW-01-2023 Engineering and Capital Works 2022 Annual Report For Consideration by Council in Committee on February 28, 2023

OBJECTIVE:

To update Council on the activities of the three divisions within the Engineering and Capital Works Department.

RECOMMENDATIONS:

1. THAT Report ECW-01-2023 Engineering and Capital Works 2022 Annual Report be received.

Respectfully submitted: Tyson Haedrich, M. Eng., P. Eng., General Manager of Engineering & Capital Works

Approved: Craig Manley, MCIP, RPP, Chief Administrative Officer

EXECUTIVE SUMMARY:

The Engineering and Capital Works 2022 Annual Report is attached and provides a high level overview of responsibilities, 2022 accomplishments and 2023 priorities for the three divisions, Engineering Services, Facilities Capital & Asset Management and Water & Wastewater Engineering, that make up the department.

BACKGROUND:

Each year the Engineering and Capital Works Department gives a presentation that highlights the activities, initiatives and accomplishments from the prior year and provides divisional priorities for the current year to create awareness for Council and the public.

ANALYSIS:

The Engineering and Capital Works 2022 Annual Report (see Attachment 1) provides a high level overview of the Engineering and Capital Works Department divisional roles and includes the past year's accomplishments and upcoming priorities.
