**Subject:** [EXTERNAL] Deputation to Council Request

On behalf of the Norfolk Haldimand Community Hospice Board of Directors, I wish to bring a delegation to the February 28, 2023 Council in Committee Meeting. Our group hopes to present information to Council regarding our plans for the development of a Centre for Hospice Palliative Care in the Haldimand-Norfolk area and to request for property in Jarvis to support this important endeavour.

Sincerely,

Michael Godelie

NHCH Board Chair
