Subject: Re: [EXTERNAL] Louise & Ross Brown Junior Development Program - Clarification as per request

Hi there,

I hereby request to appear as a delegation on April 11th, 2023. The purpose for the appearance is to acquire approval and support for a tennis program for Haldimand County which has already been submitted. The program is free to the recipients and to the County and would establish a comprehensive and self-sustaining locally run initiative.

Kindest Regards,
David Brown
