## Memorandum CLE-M02-2024 Annual Policing Report

For Consideration by Council in Committee on December 10, 2024

---

**To:** Mayor Bentley and Members of Council

**From:** Tracey Cassidy, Council Services Coordinator

### RECOMMENDATIONS:

1. THAT Memorandum CLE-M02-2024 Annual Policing Report be received.

In accordance with Section 68(1) of the *Community Safety and Policing Act, 2019*, Ontario Provincial Police (O.P.P.) Detachment Boards are required to provide an annual report to the municipality and band council regarding the policing provided by the detachment in their communities.

Due to timelines surrounding the rebuild of the O.P.P. crime database, the O.P.P. have requested that the province delay the June 30 reporting timeline for this year. The intent of this memorandum is to provide notification to Haldimand County & Mississaugas of the Credit First Nation Councils that the annual policing report for this year will be postponed until June 30, 2025.
