SCHEDULE A

PURPOSE AND EFFECT OF BY-LAW XX/2024

The subject lands are legally described as WAL CON 2 PT LOT 24 AND PLAN 87 LOTS 1 TO 5 BLKS A B D AND E, and municipally known as 36 Main Street West.

The purpose of this by-law is to facilitate a seven (7) lot draft plan of subdivision located at 36 Main Street West, In Selkirk. Each of the proposed lots is intended to with a single detached dwellings, a Class 4 septic system, a Cistern, and at least two parking spaces to meet parking requirements in the Zoning By-law. The development will also include a storm water management pond. This by-law rezones the Part 1 shown on Map B (attached to and forming part of this by-law) from “Hamlet Residential (RH)” to “Hamlet Residential (RH)” with Special Exception (RH.6) to facilitate the development of a seven (7) lot subdivision.

A Holding Provision has been established for Part 1 on Map B and can only be removed upon the successful completion of the following to the satisfaction of the General Manager of Community and Development Services, or their designate:

- a) The provision of septic system designs (prepared by a qualified professional with a BCIN #) for each of the proposed seven (7) lots, to the satisfaction of the Haldimand County Building Department.
- b) A Stormwater Management study, completed as per the latest Haldimand County Design Criteria, MECP, and Conservation Authority guidelines, including an interim plan for Phase 1 (the proposed 7 lot subdivision) and ultimate development of the subdivision and include any external drainage areas. The interim SWM plan should evaluate lot-level controls, and minimize the need for a storm pond.
- c) A Functional Servicing Report that should include a D-5-4 Water Quality Impact Risk Assessment for on-site sewage systems. The county would require the study to be peer reviewed.
- d) Development of the unopened road allowance (Nagel) to current county standards, which may require the developer to purchase and convey the lands after subdivision registration.
