### Brief Description \*

The community of Hagersville is celebrating its 150th anniversary in 2025. The Hagersville Chamber of Commerce—through its Hagersville 150 Committee—has been working since 2023 to create a year of memorable events and activities, including its major community event on June 6: “Ag Day – Celebrating 150 Years of Hagersville”. Ag Day 2025 will focus on the community’s agricultural heritage and vibrant rural culture, bringing together farmers, families, community members and visitors to share and enjoy interactive exhibits, live demonstrations and family-friendly entertainment. It will celebrate not only Hagersville’s history, but will offer an educational understanding and appreciation of that history to residents and visitors of all ages.

Agriculture Day in Hagersville has deep roots in the community, originally founded by the late Councillor Marie Trainer as a way to celebrate and promote local agriculture. As a passionate advocate for farmers and rural life, Marie saw the importance of connecting the community with its agricultural heritage and the people who work tirelessly to feed the region. Under her leadership, Ag Day became a beloved tradition, bringing together farmers, businesses, and families to showcase the industry that built Hagersville.

A power point presentation has been provided to Community Development & Partnerships staff via email on March 10th.

**Please upload any additional documents you would like to include as part of your delegation request.**
