14. Stewardship Award Presentation

Chair Beres stated that the Long Point Region Conservation Stewardship award was created to recognize those individuals or groups who have made a commitment to environmental sustainability and conservation.

FULL AUTHORITY COMMITTEE MEMBERS

Shelley Ann Bentley, Dave Beres, Doug Brunton, Robert Chambers, Michael Columbus,
Tom Masschaele, Jim Palmer, Rainey Weisler, Chris Van Paassen, Peter Ypma

Brian Woolley was nominated by members of ALUS Norfolk and was selected as the recipient of the 2024 Long Point Region Conservation Stewardship Award.

Brian, a proud resident of Norfolk County, has dedicated a large portion of his life to conservation advocacy, efforts and commitments. Brian obtained his Bachelor of Science degree in Agriculture with a Crop Science major. Brian, on his own farm, has been working to address field erosion by implementing best management practices for erosion control, such as grassed waterways and cover crops. In 2019, he partnered with LPRCA and ALUS under the 50 Million Tree Program to plant over 4,000 trees. He controls invasive species, like Phragmites, European buckthorn and spongy moth, on his property.

15. Introduction of Keynote Speaker

Chair Beres introduced Pete Zuzek, founder and President of Zuzek Inc., a professional services company dedicated to increasing the health and resilience of the world's coastal communities and ecosystems.

16. Keynote Presentation – Overview & Progress on the North Shore Resilience Project, Pete Zuzek

Pete's presentation detailed and gave a progress update on the Lake Erie North Shore Resilience Project, in which Pete works as a consultant. The Project started in 2023, when a working group of stakeholders and technical advisors came together to discuss the erosion on the North Shoreline from Port Glasgow to Long Point sandspit. The Long Point Biosphere Region was successful in securing \$900,000 of funding over 3 years by the Canada Water Agency.

The focus on the project is to help with the recovery of the North Shore of Lake Erie and to learn about how to better create resilience along the coast with all of its interconnected ecosystems.

The Project has three goals: First goal is to develop scientific knowledge on the movement of the sediment along the shore; Second goal is to complete dune restorations with native plants to increase the resilience of the beaches in the area; and the third goal is to work with stakeholders and organizations along with engaging with communities to develop an action plan along the broad study area.

Pete thanked the Board and the Authority for the opportunity to speak.

14. Adjournment

The Chair adjourned the meeting at 2:31 p.m.

**Resolution of Council
City Council Meeting**

Title: Use of X by the City of Peterborough
Date: March 17, 2025

Whereas X has become a media platform that is not adequately responding to hate speech and misinformation;

Whereas continued use of X could be perceived as tacit approval of or association with ideologies that are inconsistent with the City of Peterborough's commitment to freedom, inclusivity, and nondiscrimination.

Whereas the City of Peterborough maintains other social media accounts to reach residents about municipal services and news that provide comparable functionality like Instagram, Facebook, and LinkedIn.

Whereas Peterborough Transit relies on X as one of its main methods to communicate with customers about Transit service changes;

Whereas Peterborough Transit has implemented customer service enhancements such as real time tracking of buses through the My Transit Rid-GPS Tracker map for transit customers to see when the next bus will arrive;

Whereas emergency services require the ability to use all available channels to reach residents for emergency messaging;

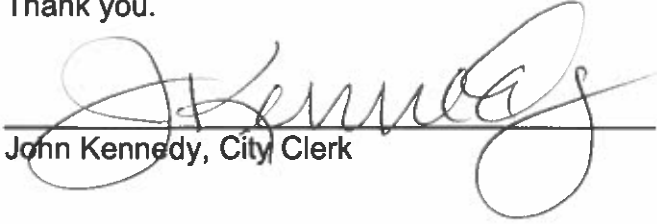

Therefore, be it resolved that Council approve the following:

a) that to support enhanced communication with residents and customers and to reduce reliance on social media that City staff report back to Council during the 2026 Budget deliberations with recommendations and associated budget implications for implementing a Snow Plow Tracker service for residents and a smartphone app for Peterborough Transit, which includes the ability to send notifications to subscribers, with the goal of improving customer service and eliminating the use of X; and

b) that the City of Peterborough discontinue the use of X, formerly known as Twitter, except for Peterborough Transit, Fire Services, and emergency information as necessary.

c) That, a copy of this resolution be forwarded to all Ontario municipalities and the Association of Municipalities of Ontario (AMO).

The above resolution, adopted by City Council is forwarded for your information and action, as required.
Thank you.

John Kennedy, City Clerk
