Brief Description *

After meeting with County staff, we agreed that registering as a delegation would be a helpful way for Council to gain a better understanding of the Dunnville Boat Club. On behalf of the Club, I would like to address Council in support of a new lease agreement. I intend to share a brief history of our organization, highlight our longstanding community involvement, and outline our past partnership with the County. The Dunnville Boat Club is a volunteer-led, not-for-profit organization with a proud tradition of serving local boaters and sport-fishing enthusiasts. For decades, our club has operated on a combination of privately owned land and County-leased waterfront property, and we remain committed to continuing our service to the community.

Please upload any additional documents you would like to include as part of your delegation request.
