Subject: Closure and Conveyance of a Road Allowance in Lowbanks as per letter of Sep 01, 2017: Expression of serious concerns by Mohawk Heights Inc. Association

Dear Mrs. Marsh,

We acknowledge receipt of your letter of notice to us about the interest of purchase of the property in question.

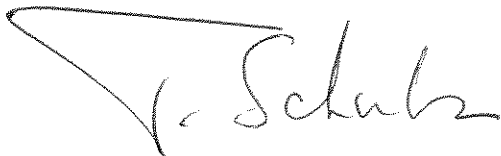

We wish to register our concerns to the proposed sale.

The road allowance as it exists right now is used as public access to the lake and voluntarily maintained by our members. This allows everybody from the community as well as visitors to the area to easily access the lake and enjoy the view to Mohawk Island and the historical lighthouse on it.

With an unknown speculator in control of the access to the lake there is a high risk for adverse effects to the community here as well as any visitors of the area who want to access the lake.

Please consider our letter of concerns in making your decision.

Respectfully yours,
