**Subject: Delegation submission request for Council meeting on Tuesday, January 16, 2018**  
**pertaining to sale of through way bordering Mohawk Heights Estates**

Dear Mrs. Marsh and Ms. Eichenbaum,

We wish to attend the Council meeting on Tuesday, January 16, 2018.

As previously stated we are concerned with an unknown speculator acquiring land that has been used for years by many, both in our community and visitors, as a means of observing Mohawk Island as well as the historic lighthouse on it. Very few, if any other, public access points are available and should be preserved for all.

Respectfully yours,

Sandra Shenton(Secretary)
