Dear Evelyn:

My wife and I would like to attend the Tuesday January 16<sup>th</sup> 2018 meeting of the Haldimand County Council. We would like to participate in the discussion regarding the sale of vacant county land located next to our property at 1870 Northshore Drive, Lowbanks, NOA 1K0.

A land speculator that currently owns the property on the other side of the county holdings has petitioned the county with the intent to buy and develop this vacant land.

Myself and my neighbors have opposed this potential sale and submitted our own plan to buy this vacant lot and keep it harmoniously between us. Thank you.
