

January 20 2018

Mr. Zach Gable

In regards to the apartments in Port Maitland, we have owned them for 10 years.

We have been renting them out for yearly leases

We will be changing the use of the property into weekend or weekly use

When the work is complete we are planning to have 9 cottages and also a tea room

Looking forward to making that area looking better and help bring more tourism into Haldimand County

Best Regards  
Rui Nunes
