Good afternoon Evelyn,

Tricia Givens, the Housing Services Program Manager for Haldimand and Norfolk, has asked me to follow up with you to inquire how we go about requesting to bring information to Council by way of a short presentation for their March 27th, 2018 meeting?

We would like to bring information about the Homelessness Enumeration we will be conducting May 7-11th, 2018 in both Haldimand and Norfolk County's.

Any help you can provide would be appreciated.

Thank you.
