

FIRE SERVICES

CORPORATE PURPOSE

- To protect the lives and property of Haldimand County's citizens and visitors by providing prompt and professional services in the event of accident, fire, medical emergency, disaster or any other event which may threaten the public welfare.

KEY FUNCTIONS

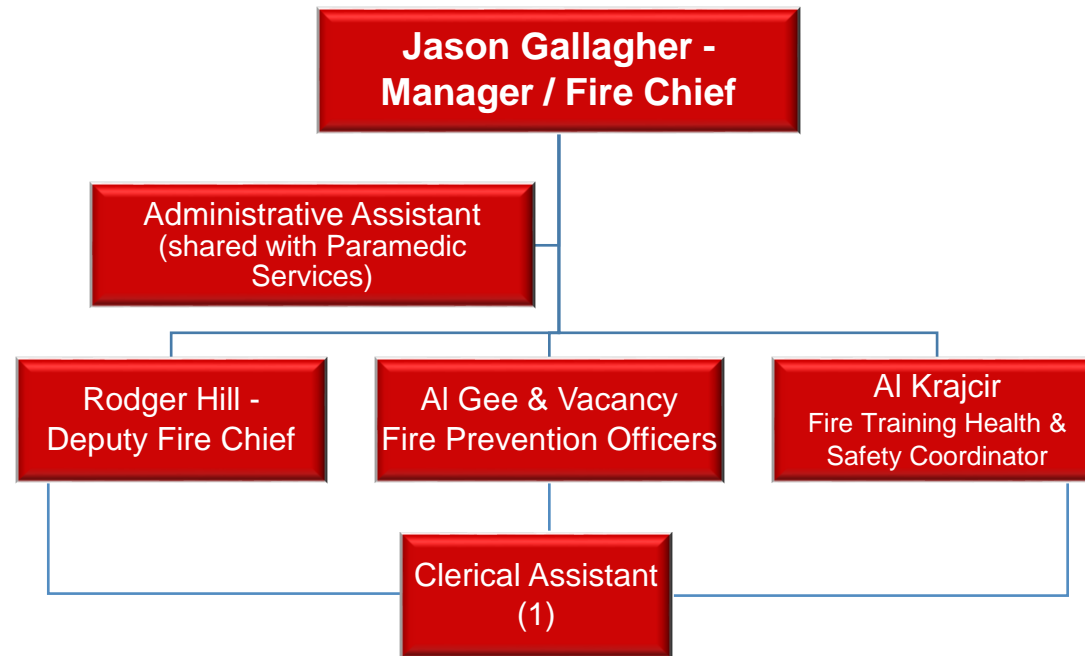

- Prevent fires through the enforcement of the Fire Protection & Prevention Act and the Ontario Fire Code.
- Prevent fires and fire-related injuries through public education.
- Respond to fires and other emergencies.
- Ensure firefighters health and safety through professional development and pre-incident planning.
- Maintain fire halls and firefighting equipment.

2017 HIGHLIGHTS

- Trained Training Officers as Live Fire Instructors.
- Completed live fire training for all recruits from the past 2 years.
- Achieved compliance with Emergency Management Ontario.
- Maintained a robust Smoke and Carbon Monoxide Alarm program.
- Incorporated a pre-planning program within Haldimand County.
- Met Fire Prevention Bureau targets for conducting fire safety inspections and fire safety plan approvals.

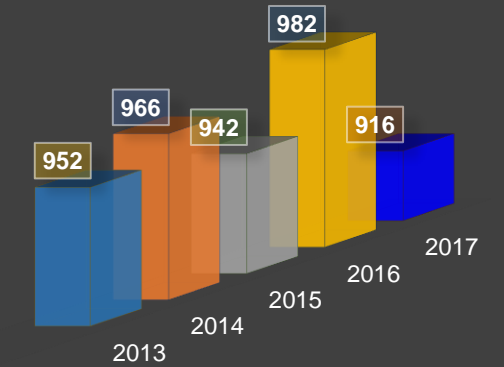

2018 OBJECTIVES

- Continue with a proactive fire safety and education program.
- Complete a community risk assessment to identify critical infrastructure.
- Complete successful fire evacuation drills at all care facilities.
- Complete an in-depth review and revision of all Fire Department Standard Operating Guidelines.
- Complete the purchase of land for the new Caledonia Fire and Paramedic base.
